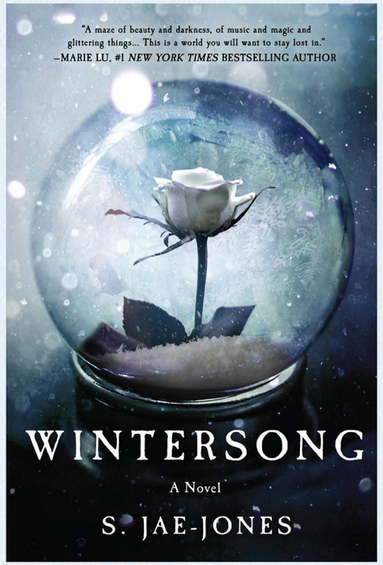
Books for Teens 2017

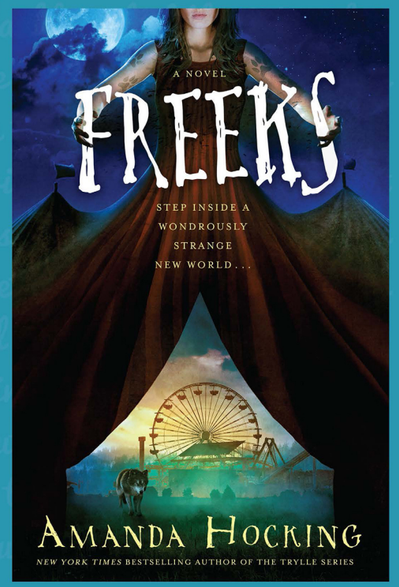
"Garber's *rich, vivid scene setting* and descriptions make for entertaining reading, and the conclusion hints at a sequel focused on Tella. A *colorful, imaginative fantasy* with some *steamy romance* for good measure."

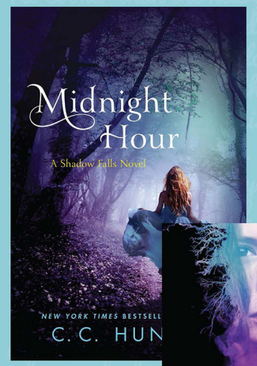
—*Booklist*

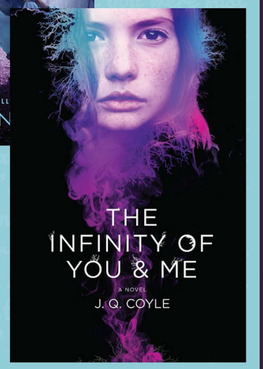


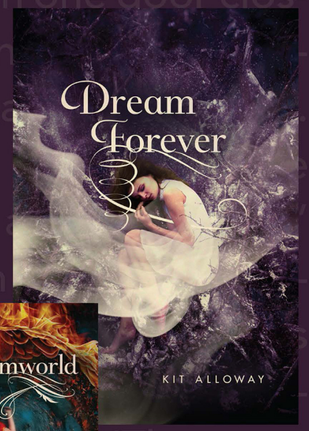
"As soon as we crossed the line into town, the air seemed even colder than before. That's when I realized the chill wasn't coming from outside—*it was coming from within me.*"

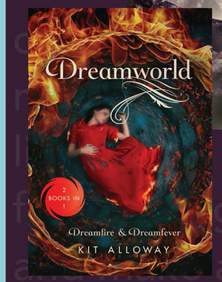
—Excerpt from *Freeks*

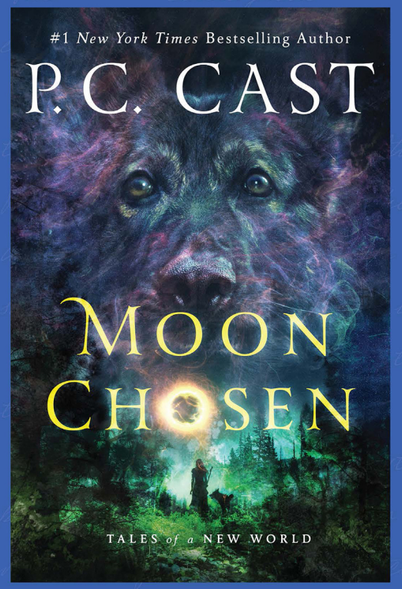












"*Fantasy lovers* who are fans of Cinda Williams Chima's 'Seven Realms' novels will *fall in love* with Mari and Nik."

—*School Library Journal*
