## True

### *The Four Seasons of Jackie Robinson*

Kostya Kennedy

**True is a probing, richly-detailed, unique biography of Jackie Robinson, one of baseball's—and America's—most significant figures.**

For players, fans, managers, and executives, Jackie Robinson remains baseball's singular figure, the person who most profoundly extended, and continues to extend, the reach of the game. Beyond Ruth. Beyond Clemente. Beyond Aaron. Beyond the heroes of today. Now, a half-century since Robinson's death, letters come to his widow, Rachel, by the score. But Robinson's impact extended far beyond baseball: he opened the door for Black Americans to participate in other sports, and was a national figure who spoke and wrote eloquently about inequality.

*True: The Four Seasons of Jackie Robinson* by Kostya Kennedy is an unconventional biography, focusing on four transformative years in Robinson's athletic and public life: 1946, his first year playing in the essentially all-white minor leagues for the Montreal Royals; 1949, when he won the Most Valuable Player Award in his third season as a Brooklyn Dodger; 1956, his final season in major league baseball, when he played valiantly despite his increasing health struggles; and 1972, the year of his untimely death. Through it all, Robinson remained true to the effort and the mission, true to his convictions and contradictions.

Kennedy examines each of these years through details not reported in previous biographies, bringing them to life in vivid prose and through interviews with fans and players who witnessed his impact, as well as with Robinson's surviving family. These four crucial years offer...

### PRAISE

**Praise for *Pete Rose: An American Dilemma*:**

**"Kennedy's book on the tarnished and enigmatic Rose is exceptional. Like the best writing about sport--Liebling, Angell--it qualifies as stirring literature. I'd read Kennedy no matter what he writes about." --Richard Ford**

KOSTYA KENNEDY is an editorial director at Meredith and a former Senior Writer at Sports Illustrated. He is the New York Times bestselling author of *56: Joe DiMaggio and the Last Magic Number in Sports* (runner-up for the 2012 PEN/ESPN Award for Literary Sports Writing) and *Pete Rose: An American Dilemma*. Both won the CASEY Award for Best Baseball Book of the Year. He has taught at Columbia and NYU, and lives with his wife and daughters in Westchester County, NY.

## Tiger & Phil

*Golf's Most Fascinating Rivalry*

Bob Harig, Senior Golf Writer at ESPN.com

**An in-depth chronicle of the decades-long rivalry that drove the success of golf's two biggest stars, Tiger Woods and Phil Mickelson.**

For two decades now there have been two golfers who have captivated, bemused, inspired, frustrated, fascinated, and entertained us, and in doing so have *demand*ed our attention – Tiger Woods and Phil Mickelson. Even with all the ink that has been spilled on Tiger, no one has ever written about his relationship with Phil and how their careers have been inextricably intertwined. Furthermore, very little has been written about Phil Mickelson, who is more than just an adversary. He is a fascinating, Hall of Fame golfer whose story could be a book on its own.

These two biggest names (and draws) in golf have, for better and for worse, been the ultimate rivals. But it is so much more complicated than that. Each player has pushed the other to be better. They have teased each other and fought. They have battled to the bitter end on the course making for some of the greatest moments in the game for the last 20 years. They have each gone through injury and health problems, legal problems, falling in and out of favor with the press. And over the course of their time together in the game they have gradually become not just rivals but friends.

In the tradition of major bestsellers such as *Arnie & Jack*, *When the Game Was Ours*, *The Rivals*, and *Brady vs. Manning*, *Tiger & Phil* is sure to appeal to a wide audience, generate vigorous media interest, and change the way we look at these players and the game itself.

**PRAISE**

**"The only thing I enjoyed more than broadcasting the Tiger-Phil rivalry for over twenty years was reading all the juicy tidbits from behind the scenes by the amazing Bob Harig. Every golf enthusiast will want to dive into this."** —Jim Nantz, CBS-TV

**"Bob Harig was born to write this brilliant and definitive historical document on the Tiger-Phil rivalry. After walking step for step with these two titans for decades, Harig delivers fascinating, previously-untold stories about the battles that defined them. This is the ultimate insider's look at the real Tiger-Phil relationship, and at the high-stakes pursuit of golf immortality."** —Ian O'Connor, three-time *New York Times* bestselling author of *Arnie & Jack*

Longtime golf reporter **BOB HARIG** of ESPN and the *Tampa Bay Times* has covered Tiger and Phil since the very beginning of each of their careers and has had dozens of one-on-one interviews with each of them. He holds degrees in journalism and history from Indiana University and is an active member of the Golf Writers Association of America (GWAA). *Tiger & Phil* is his first book. He lives in Florida.

## Killing the Killers

*The Secret War Against Terrorists*

Bill O'Reilly and Martin Dugard

**In the eleventh book in the multimillion-selling Killing series, Bill O'Reilly and Martin Dugard reveal the startling, dramatic story of the global war against terrorists.**

In *Killing the Killers*, #1 bestselling authors Bill O'Reilly and Martin Dugard take readers deep inside the global war on terror, which began twenty years ago on September 11, 2001.

As the World Trade Center buildings collapsed, the Pentagon burned, and a small group of passengers fought desperately to stop a third plane from completing its deadly flight plan, America went on war footing. *Killing the Killers* narrates America's intense global war against extremists who planned and executed not only the 9/11 attacks, but hundreds of others in America and around the world, and who eventually destroyed entire nations in their relentless quest for power.

*Killing the Killers* moves from Afghanistan to Iraq, Iran to Yemen, Syria, and Libya, and elsewhere, as the United States fought Al Qaeda, ISIS, and the Iranian Revolutionary Guard, as well as individually targeting the most notorious leaders of these groups. With fresh detail and deeply-sourced information, O'Reilly and Dugard create an unstoppable account of the most important war of our era.

*Killing the Killers* is the most thrilling and suspenseful book in the #1 bestselling series of popular history books (over 18 million sold) in the world.

BILL O'REILLY is a trailblazing TV journalist who has experienced unprecedented success on cable news and in writing seventeen national number-one bestselling non-fiction books. There are more than eighteen million books in the Killing series in print. He lives on Long Island.

MARTIN DUGARD is the New York Times bestselling author of several books of history, among them the Killing series, *Into Africa*, and *Taking Paris*. He and his wife live in Southern California.

# The Homewreckers

*A Novel*

Mary Kay Andrews

**Summer begins with MKA, in this delightful summer read about flipping houses, and finding true love.**

Hattie Kavanaugh went to work helping clean up restored homes for Kavanaugh & Son Restorations at eighteen; married the boss's son at twenty; and was only twenty-five when her husband, Hank, was killed in a motorcycle accident.

Broken hearted, but determined to continue the business of their dreams, she takes the life insurance money, buys a small house in a gentrifying neighborhood, flips it, then puts the money into her next project. But that house is a disaster and a money-loser, which rocks her confidence for years to come. Then, Hattie gets a once-in-a-lifetime opportunity: star in a beach house renovation reality show called "The Homewreckers," cast against a male lead who may be a love interest, or may be the ultimate antagonist. It's a question of who will flip, and who will flop, and will Hattie ever get her happily-ever-after.

Filled with Mary Kay Andrews's trademark wit, warmth, junking trips, and house porn, *The Homewreckers* is a summer beach delight.

**PRAISE****Praise for *The Newcomer*:**

## Valor

*The Astonishing World War II Saga of One Man's Defiance and Indomitable Spirit*

Dan Hampton

**Valor is the magnificent story of a genuine American hero who survived the fall of the Philippines and brutal captivity under the Japanese, from *New York Times* bestselling author Dan Hampton.**

Lieutenant William Frederick “Bill” Harris was 25 years old when captured by Japanese forces during the Battle of Corregidor in May 1942. This son of a decorated Marine general escaped from hell on earth by swimming eight hours through a shark-infested bay; but his harrowing ordeal had just begun.

Shipwrecked on the southern coast of the Philippines, he was sheltered by a Filipino aristocrat, engaged in guerilla fighting, and eventually set off through hostile waters to China. After 29 days of misadventures and violent storms, Harris and his crew limped into a friendly fishing village in the southern Philippines. Evading and fighting for months, he embarked on another agonizing voyage to Australia, but was betrayed by treacherous islanders and handed over to the Japanese. Held for two years in the notorious Ofuna prisoner-of-war camp outside Yokohama, Harris was continuously starved, tortured, and beaten, but he never surrendered. Teaching himself Japanese, he eavesdropped on the guards and created secret codes to communicate with fellow prisoners. After liberation on August 30, 1945, Bill represented American Marine POWs during the Japanese surrender in Tokyo Bay before joining his father and flying to a home he had not seen in four years.

*Valor* is a riveting new look at the Pacific War. Through military documents, personal photos, and an unpublished memoir provided by his daughter, Harris’ experiences are dramatically revealed through his own words in the expert hands of bestselling author and retired fighter pilot Dan Hampton. This is the stunning and captivating true story of an American hero.

## PRAISE

**“An extraordinary tale told extraordinarily well, *Valor* is the intense, gripping saga of a Marine Corps officer little known today...in-depth research and an attention-getting writing style.” —Barrett Tillman, author of *Whirlwind: The Air War Against Japan, 1942-1945***

*New York Times* bestselling author DAN HAMPTON flew 151 combat missions during both Gulf Wars, receiving four Distinguished Flying Crosses with Valor and a Purple Heart. A graduate of the elite USAF Fighter Weapons School, Dan holds several advanced degrees, including a Master of Arts from Dartmouth. Translated into a dozen languages, excerpts from Dan’s books have been published in *Time Magazine*, the *Wall Street Journal*, the *New York Times*, the *New York Post*, *USA Today*, *Parade*, and *Newsday*. A frequent guest on Fox News, MSNBC, and the BBC, Dan is a licensed Divemaster and rated commercial pilot.

# Talent

*How to Identify Energizers, Creatives, and Winners Around the World*

Tyler Cowen and Daniel Gross

**In the tradition of evergreen books like Robert Cialdini's *Influence* and Kim Scott's *Radical Candor*, how to spot, assess, woo, and retain highly talented people.**

How do you find talent with a creative spark? To what extent can you predict human creativity, or is human creativity something irreducible before our eyes, perhaps to be spotted or glimpsed by intuition, but unique each time it appears?

The art and science of talent search get at exactly those questions. Renowned economist Tyler Cowen and venture capitalist and entrepreneur Daniel Gross guide the reader through the major scientific research areas relevant for talent search, including how to conduct an interview, how much to weight intelligence, how to judge personality and match personality traits to jobs, how to evaluate talent in on-line interactions such as Zoom calls, why talented women are still undervalued and how to spot them, how to understand the special talents in people who have disabilities or supposed disabilities, and how to use delegated scouts to find talent.

Identifying underrated, brilliant individuals is one of the simplest ways to give yourself an organizational edge, and this is the book that will show you how to do that. It is both for people searching for talent, and for those being searched and wish to understand how to better stand out.

## PRAISE

**"[*The Complacent Class*] provides an open invitation for the reader to think deeply."**  
—Derek Thompson, *The Atlantic*

**"Tyler Cowen's blog, *Marginal Revolution*, is the first thing I read every morning. And his brilliant new book, *The Complacent Class*, has been on my nightstand after I devoured it in one sitting. I am at round-the-clock Cowen saturation right now."**  
—Malcolm Gladwell

**TYLER COWEN** (Ph.D.) holds a chair in economics at George Mason University. He has authored many books and writes the most read economics blog worldwide, *Marginal Revolution*. Tyler is a Bloomberg Opinion columnist, has written regularly for *The New York Times*, and contributes to a range of newspapers and periodicals.

**DANIEL GROSS** is an entrepreneur and investor. At 18, he was accepted into Y-Combinator, the youngest founder ever at the time. He founded Cue, an AI-powered search engine, which was acquired by Apple in 2013. In 2018, Daniel founded Pioneer, a search engine for the millions of "Lost Einstein's" — extraordinarily creative people around the world who have the talent, but lack opportunity.

# My Wife Is Missing

*A Novel*

D. J. Palmer

**When a woman disappears with her two children, one husband will do anything to find them—even confront the secrets of his own past—in this twisty thriller from the author of *The New Husband*.**

When Michael Hart discovers that his wife and two young children have gone missing from their New York City hotel room while on family vacation, he fears they've been kidnapped. But it's soon revealed that his wife, Natalie, left quite willingly and has now disappeared with the kids.

The police want to know why and so does Michael. But there is one thing that might have prompted her to run, something Michael can't tell the police—the truth about his past.

Natalie knows her reasons for running are valid, and she's got a plan to make her escape from Michael permanent. There's just one thing that threatens to derail her efforts completely and that's sleep or, more accurately, a lack of it. Since the moment the shocking revelations about her husband came to light, Natalie's insomnia has worsened to the point that she now suffers from delusions. With her children's lives at risk, the stakes for Natalie could not be higher. On her own, running low on energy and resources, avoiding increasingly close calls with Michael, who is on the hunt and on her trail, Natalie desperately needs someone to turn to for help. But the more she runs, the more the answer comes clear. There is only one person who can save her now—herself.

## Butler to the World

*How Britain Helps the World's Worst People Launder Money, Commit Crimes, and Get Away with Anything*

Oliver Bullough

**In his punchy follow-up to *Moneyland*, Oliver Bullough unravels the dark secret of how Britain placed itself at the centre of the global offshore economy and at the service of the worst people in ...**

The Suez Crisis of 1956 was the nadir of Britain's twentieth century, the moment when the once-superpower was bullied into retreat. "Great Britain has lost an empire and not yet found a role," said Dean Acheson, a former US secretary of state. Acheson's line has entered into the canon of great quotations: but it was wrong. Britain *had* already found a role. The leaders of the world just hadn't noticed it yet.

*Butler to the World* reveals how Britain came to assume its role as the center of the offshore economy. Written polemically, but studded with witty references to the butlers of popular fiction, it demonstrates how so many elements of modern Britain have been put at the service of the world's oligarchs.

The Biden administration is putting corruption at the heart of its foreign policy, and that means it needs to confront Britain's role as the foremost enabler of financial crime and ill behavior. This book lays bare how London has deliberately undercut U.S. regulations for decades, and really calls into question the extent to which Britain can be considered a reliable ally.

## PRAISE

**"After years of exhaustive investigative research for the book he also calls *Moneyland*, Bullough offers not just a bill of particulars spanning continents but a polemic about the dangers of a global cancer that must be exposed and combated... Bullough brilliantly uncovers the scope of hidden money." —*The New York Times***

**"The most eye-opening book that you'll read all year... A must read for anyone who wants to understand how the real world of wealth works." —Inc.**

**"There are few people who know the world of illicit finance and money laundering like Oliver Bullough. He takes us on a journey through the maze of complicity and criminality that will ...**

**OLIVER BULLOUGH** is the author of the financial exposé *Moneyland*, which topped the *Sunday Times* bestseller list (UK), and two celebrated books about the former Soviet Union: *The Last Man in Russia* and *Let Our Fame Be Great*. His journalism appears regularly in the *Guardian*, the *New York Times*, and *GQ*. He lives in London.

## Spare Parts

*The Story of Medicine Through the History of Transplant Surgery*

Paul Craddock

**An original look at the history of medicine itself through the rich, compelling, and delightfully macabre story of transplant surgery from ancient times to the present day.**

*How did an architect help pioneer blood transfusion in the 1660's?*

*Why did eighteenth-century dentists buy the live teeth of poor children?*

*And what role did a sausage skin and an enamel bath play in making kidney transplants a reality?*

We think of transplant surgery as one of the medical wonders of the modern world. But transplant surgery is as ancient as the pyramids, with a history more surprising than we might expect. Paul Craddock takes us on a journey - from sixteenth-century skin grafting to contemporary stem cell transplants - uncovering stories of operations performed by unexpected people in unexpected places. Bringing together philosophy, science and cultural history, *Spare Parts* explores how transplant surgery constantly tested the boundaries between human, animal, and machine, and continues to do so today.

Witty, entertaining, and at times delightfully macabre, *Spare Parts* shows us that the history - and future - of transplant surgery is tied up with questions about not only who we are, but also *what* we are, and what we might become.

**PRAISE**

**"By turns delightful and disturbing, even the most seasoned of medical history buffs will be astonished by *Spare Parts*. A thoroughly engrossing read that I couldn't put down."** –Lindsey Fitzharris, bestselling author of *The Butchering Art*

**"Stuffed with eccentric characters and questionable experiments, this is a joyful romp through a fascinating slice of medical history."** --Wendy Moore, author of *The Knife Man*

**"A riveting journey through the story of anatomical alchemy...filled with adventure, delight and surprise."** --Dr. Rahul Jandial, surgeon and author of *Life on a Knife's Edge*

**"This compelling and impeccably researched history of transplant s...**

**PAUL CRADDOCK** is Honorary Senior Research Associate in the Division of Surgery and Interventional Sciences at UCL Medical School in London. His PhD explored how transplants have for centuries invited reflection on human identity, a subject on which he has also lectured internationally. *Spare Parts* is his first book.

## Endure

*How to Work Hard, Outlast, and Keep Hammering*

Written by Cameron Hanes; Foreword by Joe Rogan

**ENDURE is the ultimate book on the necessity of setting higher goals and expecting more from yourself every day—written by one of the world's deadliest bowhunters.**

At 20 years old, nothing great was happening in Cameron Hanes' life. Living in a small town where dreams were dismissed and bouncing between the homes of divorced parents, he carried low expectations and no hope for a life of fulfilled potential. He wasn't looking down the road, nor was he imagining ever being able to impact the outside world. Discovering bowhunting changed everything.

For over three decades, Cam's called himself an average guy who has experienced tremendous bowhunting success only through hard work and dedication. *Endure* chronicles the lessons he has learned and compels readers to raise their expectations of themselves. If he can do it, anyone can. Cameron inspires us to have the work ethic, endurance and resiliency needed to push our limits and break the barriers that keep us from our true purpose.

*Endure* takes us to places of risk, challenge, and adventure so that we can realize the impossible isn't too far out of reach. Truly exceptional people don't excel because of their outstanding abilities. They become exceptional because they're obsessed with improvement. Greatness arrives when you keep hammering day after day.

*Endure* redefines hard work and inspires readers to cultivate the grit, discipline, and dedication needed in order to maximize each day of life. This book isn't about bowhunting. It's about believing in yourself and becoming the best you can possibly be.

## PRaise

**"I have trained with many of the toughest and hardest men on the planet and only one stands out. That one is Cameron Hanes. Now if any of you know who I am, I am not saying this for a passage in his book, I am saying it because it is truth." —David Goggins, *New York Times* bestselling author of CAN'T HURT ME**

**CAMERON HANES'** greatest love is bowhunting in the remote wildernesses. To prepare, he shoots his bow every single day, trains in the weight room 7-days a week, and runs 200+ mile ultra marathons in the mountains. His goal, which he knows he'll never hit, is to become the "Ultimate Predator." Pushing his body to failure and raising the bar to this level is what best defines Cameron. He has inspired and motivated millions of people through his writings, television appearances, and social media postings.

**The international bestselling author of *The Jane Austen Society* returns with a compelling and heartwarming story of post-war London, a century-old bookstore, and three women determined to find th...**

Bloomsbury Books is an old-fashioned new and rare book store that has persisted and resisted change for a hundred years, run by men and guided by the general manager's unbreakable fifty-one rules. But in 1950, the world is changing, especially the world of books and publishing, and at Bloomsbury Books, the girls in the shop have plans:

**Vivien Lowry:** Single since her aristocratic fiancé was killed in action during World War II, the brilliant and stylish Vivien has a long list of grievances - most of them well justified and the biggest of which is Alec McDonough, the Head of Fiction.

**Grace Perkins:** Married with two sons, she's been working to support her family following her husband's breakdown in the aftermath of the war. Torn between duty to her family and dreams of her own.

**Evie Stone:** In the first class of female students from Cambridge permitted to earn a degree, Evie was denied an academic position in favor of her less accomplished male rival. Now she's working at Bloomsbury Books while she plans to remake her own future.

As they interact with various literary figures of the time - Daphne Du Maurier, Ellen Doubleday, Sonia Blair (widow of George Orwell), Samuel Beckett, Peggy Guggenheim, and others - these three women with their complex web of relationships, goals, and dreams are all working to plot out a future that is richer and more rewarding than anything society will allow.

**PRAISE**

# They Shouldn't Have Killed His Dog

*The Complete Uncensored Ass-Kicking Oral History of John Wick, Gun Fu, and the New Age of Action*

Edward Gross and Mark A. Altman

**The first and only oral history of the beloved John Wick franchise.**

There have been iconic moments in the action movie genre over the years, but nothing has come close to matching the kinetic, balletic gun-fu of the John Wick films.

In *They Shouldn't Have Killed His Dog: The Complete Uncensored Ass-Kicking Oral History of John Wick, Gun-Fu and The New Age of Action*, bestselling authors Mark A. Altman and Edward Gross take you behind the scenes of a franchise that includes three films with two more sequels and a television series —*The Continental*— on the way, while exploring the action classics that led to *John Wick* as well as the films it inspired, like *Atomic Blonde*. They bring you right into the middle of the action of the *John Wick* films, detailing how the seemingly impossible was achieved through exclusive interviews with the cast, writers, directors, producers, stuntmen, fight choreographers, cinematographers, studio executives, editors, critics, and more. Together, they break down key action sequences while also providing a look back at the road the action genre has taken that led to *John Wick*, and a look at the character itself, an anti-hero who carries on the grand tradition of Clint Eastwood's *Man with No Name*, but with a twist — *and* a never-ending supply of ammo — while showcasing the enduring appeal of the action movie as well as John Wick's unique reinvention of the genre.

## PRAISE

**Praise for Edward Gross and Mark A. Altman:**

**"A trove for hardcore fans. If you're obsessive about the films, there's no end to the fun." —Kirkus Reviews on *Secrets of the Force***

**"An intriguing look inside the sausage making process that is television and film production" —Wall Street Journal on *The Fifty-Year Mission***

**EDWARD GROSS** has an extensive history covering film and television as a member of the editorial staff of a wide variety of magazines. He has written and co-written over three dozen non-fiction books.

**MARK A. ALTMAN** is a television showrunner and motion picture writer/producer who is executive producer of the hit sci-fi series, *Pandora*. Previously he served as Co-Executive Producer of *The Librarians*, *Agent X*, *Castle*, and *Necessary Roughness*, among others.

**Nightwork***A Novel*

Nora Roberts

**#1 New York Times bestselling author Nora Roberts introduces an unforgettable thief in a new novel of suspense, greed, love, and survival...**

Harry Booth started stealing at nine to keep a roof over his ailing mother's head, slipping into luxurious, empty homes at night to find items he could trade for precious cash. When his mother finally succumbed to cancer, he left Chicago—but kept up his nightwork.

Wandering from the Outer Banks to Savannah to New Orleans, he dons new identities and stays careful, observant, distant. He can't afford to attract attention—or get attached. Still, he can't help letting his guard down when he meets Miranda Emerson. But the powerful bond between them cannot last—because not all thieves follow Harry's code of honor. Some pay others to take risks so they can hoard more treasures. Some are driven by a desire to own people the way they own paintings and jewels. And after Harry takes a lucrative job commissioned by Carter LaPorte, LaPorte sees a tool he can use, and decides he wants to own Harry.

The man is a predator more frightening than the alligators that haunt the bayou—and when he strong-arms Harry into robbing a Baltimore museum, Harry abandons Miranda—cruelly, with no explanation—and disappears. But no matter what name he uses or where he goes, LaPorte casts a shadow over Harry's life. To truly free himself, he must face down his enemy once and for all. Only then can he hope to possess something more valuable than anything he has ever stolen...

**PRAISE****Praise for *Legacy*:**

**"Roberts' strength has always been her ability to create likable, complex characters, and this crew is even more appealing than most—they are never whiny in insecurity or snobbish in success; rather, they provide unwavering support for each other's ups and downs. The most comforting of comfort-food reading—with a few chills for fun." —Kirkus**

**"Roberts knows how to entertain." —Publishers Weekly**

**"A thrilling page-turner." —Women's World**

**NORA ROBERTS** is the #1 *New York Times* bestselling author of more than 230 novels, including *Legacy*, *The Awakening*, *Hideaway*, *Under Currents*, The Chronicles of The One trilogy, and many more. She is also the author of the bestselling In Death series written under the pen name J. D. Robb. There are more than 500 million copies of her books in print.

## Gun Barons

*The Weapons That Transformed America and the Men Who Invented Them*

John Bainbridge, Jr.

**A narrative history of six charismatic and idiosyncratic men who changed the course of American history through the invention and refinement of repeating weapons.**

Love them or hate them, guns are woven deeply into the American soul. Names like Colt, Smith & Wesson, Winchester, and Remington are legendary. Yet few people are aware of the roles these men played at a crucial time in United States history, from westward expansion in the 1840s, through the Civil War, and into the dawn of the Gilded Age. Through personal drive and fueled by bloodshed, they helped propel the young country into the forefront of the world's industrial powers.

Their creations helped save a nation divided, while planting seeds that would divide the country again a century later. Their inventions embodied an intoxicating thread of American individualism—part fiction, part reality—that remains the foundation of modern gun culture. They promoted guns not only for the soldier, but for the Everyman, and also made themselves wealthy beyond their most fevered dreams.

*Gun Barons* captures how their bold inventiveness dwelled in the psyche of an entire people, not just in the minds of men who made firearm fortunes. Whether we revere these larger-than-life men or vilify them, they helped forge the American character.

### PRAISE

**"With a sharpshooter's eye for detail and a gunslinger's taste for action...*Gun Barons* widens our understanding of our peculiar American heritage even as it enchants us with its masterful prose." --Jim Rasenberger, author of *Revolver: Sam Colt and the Six-Shooter That Changed America***

**"With skill and flair, John Bainbridge, Jr., cuts through the myths, romance, and propaganda...the real story of these weapons and those who created them is, in many ways, a revealing and trenchant story of our country." --Doug J. Swanson, author of *Cult of Glory: The Bold and Brutal History of the Texas Rangers***

**JOHN BAINBRIDGE, JR.** is a freelance writer and former reporter for *The Baltimore Sun* and Legal Affairs Editor for *The Daily Record* in Maryland. He coauthored the nonfiction book, *American Gunfight: The Plot to Kill Harry Truman and the Shoot-out that Stopped It* (Simon & Schuster 2005). Bainbridge has also written for magazines, including *Smithsonian* and *Audubon*. He practiced law in the private sector, served as a law clerk for judges on Maryland's highest court, and worked as a Maryland Assistant Attorney General.

# It All Comes Down to This

*A Novel*

Therese Anne Fowler

**A warm, keenly perceptive novel of sisterhood, heartbreak, home, and what it takes to remake a life at its halfway point, for fans of Ann Patchett and Emma Straub.**

Meet the Geller sisters: Beck, Claire, and Sophie, a trio of strong-minded women whose pragmatic, widowed mother, Marti, will be dying soon and taking her secrets with her. Marti has ensured that her modest estate is easy for her family to deal with once she's gone—including a provision that the family's summer cottage on Mount Desert Island, Maine, must be sold, the proceeds split equally between the three girls.

Beck, the eldest, is a freelance journalist whose marriage looks more like a sibling bond than a passionate partnership. In fact, her husband Paul is hiding a troubling truth about his love life. For Beck, the Maine cottage has been essential to her secret wish to write a novel—and to remake the terms of her relationship.

Despite her accomplishments as a pediatric cardiologist, Claire, the middle daughter, has always felt like the Geller misfit. Recently divorced, Claire's secret unrequited love for the wrong man is slowly destroying her, and she's finding that her expertise on matters of the heart unfortunately doesn't extend to her own.

Youngest daughter Sophie appears to live an Instagram-ready life, filled with glamorous work and travel, celebrities, fashion, art, and sex. In reality, her existence is a cash-strapped house of cards that may crash at any moment.

Enter C.J. Reynolds, an enigmatic southerner ex-con with his own hidden past who complicates the situation. All is not what it seems, and everything is about to change.

**PRAISE**

**"It All Comes Down to This answered a need I didn't even know I had—to read a big-hearted novel about middle-aged women reckoning with their own heavy secrets, and each other. This novel is entertaining, in the best sense of the word, and a true page-turner." — Ann Napolitano, *New York Times* bestselling author of *Dear Edward***

**"A compulsively readable, thoroughly enjoyable tale of three sisters, their histories, their problems, and their unraveling secrets. Contemporary, but with a delightfully Austenish tone. I read it in a single gulp." — Karen Joy Fowler, *New York Times* bestselling author**

**THERESE ANNE FOWLER** is the *New York Times* bestselling author of *A Good Neighborhood*, *A Well-Behaved Woman*, and *Z: A Novel of Zelda Fitzgerald*. She lives in North Carolina with her husband, author John Kessel.

# Corrections in Ink

*A Memoir*

Keri Blakinger

**An electric memoir about a woman's journey—from the ice rink, to addiction and a prison sentence, to the newsroom—and how she emerged with a fierce determination to expose the broken system she experienced.**

Keri Blakinger always lived life at full throttle. Growing up, that meant throwing herself into competitive figure skating with an all-consuming passion that led her to nationals. But when her skating career suddenly fell apart, that meant diving into self-destruction with the intensity she once saved for the ice.

For the next nine years, Keri ricocheted from one dark place to the next: living on the streets, selling drugs and sex, and shooting up between classes all while trying to hold herself together enough to finish her degree at Cornell. Then, on a cold day during her senior year, the police caught her walking down the street with a Tupperware full of heroin.

Her arrest made the front page of the local news and landed her behind bars for nearly two years. There, in the Twilight Zone of New York's jails and prisons, Keri grappled with the wreckage of her missteps and mistakes as she sobered up and searched for a better path. Along the way, she met women from all walks of life—who were all struggling through the same upside-down world of corrections. As the days ticked by, Keri came to understand how broken the justice system is and who that brokenness hurts the most.

After she walked out of her cell for the last time, Keri became a reporter dedicated to exposing our flawed prisons as only an insider could. Written with searing intensity, unflinching honesty, and shocks of humor, *Corrections in Ink* uncovers that dark, brutal system that affects us all. Not just a story about getting out and getting off drugs, this galvanizing memoir is about the power of second chances; about who our society throws away and who we allow to reach for redemption—and how they reach for it.

## PRAISE

**"A groundbreaking debut from an extraordinary writer... a funny, provocative, and inspiring personal story...a testament to where a woman can go after rock-bottom."**  
—Piper Kerman, #1 *New York Times* bestselling author of *Orange Is the New Black*

**KERI BLAKINGER** is an investigative reporter based in Texas. She covers incarceration and the criminal legal system for The Marshall Project and writes "Inside Out," a regular column published in collaboration with NBC News. She previously worked for the *Houston Chronicle*, and her work has appeared in publications from the *New York Daily News* to *Texas Monthly* and from VICE to the *New York Times*. She is a Pulitzer finalist and her 2019 coverage of women's jails for *The Washington Post Magazine* helped earn the publication a National Magazine Award. Before becoming a reporter, she did prison time for a drug crime in New York.

# When They Win, You Win

*Being a Great Manager Is Simpler Than You Think*

Russ Laraway

**From the legendary Silicon Valley manager who partially inspired *Radical Candor*, the three simple rules for creating happy, engaged teams.**

Employees are miserable because managers are failing...and no one is helping.

Russ Laraway, the Chief People Officer at Qualtrics, offers a simple, coherent, and complete leadership standard that measurably and predictably delivers happy, engaged employees and hardcore business results. After all, isn't that what sound leadership is supposed to do?

*When They Win, You Win* provides a three-part leadership standard that when employed does just that. Laraway's L-E-R model – Leadership - Engagement - Results – is based on research showing that managers explain 70% of employee engagement and that employee engagement drives measurable top-and-bottom-line business results. When managers learn to manage for employee engagement, happy results follow – for customers, shareholders, employees, and all involved. *When They Win, You Win* shows organizational planners and managers, step-by-step, how to implement the model's three components:

-**Direction** - direction-setting anchors the team to an aligned result through the combination of two long-term elements and two short-term elements

- **Coaching** enables team members to achieve those results. It comes in two forms: coaching to improve what's not working and coaching to continue what is working. The former involves giving them feedback which, no matter how hard we try, almost always induces a threat response; the latter involves telling people what they have done well so they can repeat those things....

## PRAISE

**"So much of what I describe in *Radical Candor* I learned from Russ Laraway. He taught me -- and he'll teach you in this book -- that leadership is not an innate talent but a skill that can and must be learned. In a labor of love, Russ has poured everything he knows about how you can acquire this skill into these pages. He offers a coherent management philosophy backed up by research. Whether you are pondering career options, are currently a boss, or are working in HR trying to deliver a great employee experience, this is a book for you!" --Kim Scott**

RUSS LARAWAY has had a diverse 28 year operational management career. Before starting his first company, Pathfinders, he was a Company Commander in the Marine Corps. A graduate of The Wharton School, he worked at Google and Twitter before co-founding Candor, Inc., alongside bestselling author Kim Scott. In 2018, Laraway became the Chief People Officer of Qualtrics and ultimately took on a role helping other companies think (very) differently about the employee experience. Over that span, he has managed 700 person teams and \$700M businesses facing a vast array of leadership challenges along the way.

## Equal Partners

### Improving Gender Equality at Home

Kate Mangino

From gender expert and professional facilitator Kate Mangino comes *Equal Partners*, an informed guide about how we can all collectively work to undo harmful gender norms and create greater househo...

As American society shut down due to Covid, millions of women had to leave their jobs to take on full-time childcare. As the country opens back up, women continue to struggle to balance the demands of work and home life. Kate Mangino, a professional facilitator for twenty years, has written a comprehensive, practical guide for readers and their partners about gender norms and household balance. Yes, part of our gender problem is structural, and that requires policy change. But much of our gender problem is social, and that requires us to change.

Quickly moving from diagnosis to solution, *Equal Partners* focuses on what we can do, everyday people living busy lives, to rewrite gender norms to support a balanced homelife so both partners have equal time for work, family, and self. Mangino adopts an interactive model, posing questions, and asking readers to assess their situations through guided lists and talking points. *Equal Partners* is broad in its definition of gender and gender roles. This is a book for all: straight, gay, trans, and non-binary, parents and grandparents, and friends, with the goal to help foster gender equality in readers' homes, with their partners, family and wider community.

**Kate Mangino** is a gender expert who works with international organizations to promote social change. **Scorpions' Dance***The President, the Spymaster, and Watergate*

Jefferson Morley

**For the 50th anniversary of the Watergate break-in: The untold story of President Richard Nixon, CIA Director Richard Helms, and their volatile shared secrets that ended a presidency.**

*Scorpions' Dance* by intelligence expert and investigative journalist Jefferson Morley reveals the Watergate scandal in a completely new light: as the culmination of a concealed, deadly power struggle between President Richard Nixon and CIA Director Richard Helms.

Nixon and Helms went back decades; both were 1950s Cold Warriors, and both knew secrets about the disastrous Bay of Pigs invasion of Cuba as well as off-the-books American government and CIA plots to remove Fidel Castro and other leaders in Latin America. Both had enough information on each other to ruin their careers.

After the Watergate burglary on June 17, 1972, Nixon was desperate to shut down the FBI's investigation. He sought Helms' support and asked that the CIA intervene—knowing that most of the Watergate burglars were retired CIA agents, contractors, or long-term assets with deep knowledge of the Agency's most sensitive secrets. The two now circled each other like scorpions, defending themselves with the threat of lethal attack. The loser would resign his office in disgrace; the winner, however, would face consequences for the secrets he had kept.

Rigorously researched and dramatically told, *Scorpions' Dance* uses long-neglected evidence to reveal a new perspective on one of America's most notorious presidential scandals.

**PRAISE****Praise for *The Ghost*:**

**"The best book ever written about the strangest CIA chief who ever lived." —Tim Weiner, author of *Legacy of Ashes***

**"The compulsively readable, often bizarre true-life story of American spymaster James Jesus Angleton." —Philip Shenon, author of *A Cruel and Shocking Act***

**"A 'must read' for anyone who wants to understand just how strange and secretive the CIA was at the height of the Cold War." —David Ignatius, author of *The Director***

**JEFFERSON MORLEY** is a journalist and editor who has worked in Washington journalism for over thirty years, fifteen of which were spent as an editor and reporter at *The Washington Post*. The author of *The Ghost*, *Our Man in Mexico*, and *Snow Storm in August*, Morley has written about intelligence, military, and political subjects for *Salon*, *The Atlantic*, and *The Intercept*, among others. # The Unfair Advantage

*How You Already Have What It Takes to Succeed*

Ash Ali & Hasan Kubba

**The winner of the UK's Business Book of the Year Award for 2021, this is a groundbreaking expose of the myths behind startup success and a blueprint for harnessing the things that really matter.**

What is the difference between a startup that makes it, and one that crashes and burns? Behind every story of success is an unfair advantage.

But an Unfair Advantage is not just about your parents' wealth or who you know: anyone can have one. An Unfair Advantage is the element that gives you an edge over your competition.

This ground-breaking book shows how to identify your own Unfair Advantages and apply them to any project. Drawing on over two decades of hands-on experience, the authors offer a unique framework for assessing your external circumstances in addition to your internal strengths. Hard work and grit aren't enough, so they explore the importance of money, intelligence, location, education, expertise, status, and luck in the journey to success. From starting your company, to gaining traction, raising funds, and growth hacking, *The Unfair Advantage* helps you look at yourself and find the ingredients you didn't realize you already had, to succeed in the cut-throat world of business.

## PRAISE

**"Deeply true, insightful, and helpful. Crucial business advice that you won't get anywhere else." -- Derek Sivers, Entrepreneur, Author of *Anything You Want***

**ASH ALI** is the co-founder of Uhubs, a skills training platform to help entrepreneurs and professionals. He sold his first internet business at age 19. With over 20 years of hands-on experience creating and growing startups, he has consulted, advised, and invested in hundreds of startups. **HASAN KUBBA** is a specialist in technology startups, marketing, and fundraising. His TEDx talk titled *Startups, Entrepreneurship and Unfair Advantages* was voted highest ever on the Official TED subreddit.

## Can't Look Away

*A Novel*

Carola Lovering

**From the author of *Tell Me Lies* and *Too Good to Be True* comes a sexy new suspense about the kind of addictive, obsessive love that keeps you coming back—no matter how hard you try to look away.**

In 2013, twenty-three-year-old Molly Diamond is a barista, dreaming of becoming a writer. One night at a concert in Brooklyn, she locks eyes with the lead singer, Jake Danner, and can't look away. Molly and Jake fall quickly and deeply in love, especially after he writes a hit song about her that puts his band on the map.

Nearly a decade later, Molly has given up writing and is living in Flynn Cove, Connecticut with her young daughter and her husband Hunter—who is decidedly *not* Jake Danner. Their life looks picture-perfect, but Molly is lonely; she feels out of place with the other women in their wealthy suburb and is struggling to conceive their second child. When Sabrina, a newcomer in town, walks into the yoga studio where Molly teaches and confesses her own fertility struggles, Molly believes she's finally found a friend.

But Sabrina has her own reasons for moving to Flynn Cove and befriending Molly. And as Sabrina's secrets are slowly unspooled, her connection to Molly becomes clearer—as do secrets of Molly's own, which she's worked hard to keep buried.

Meanwhile, a new version of Jake's hit song is on the radio, forcing Molly to confront her past and ask the ultimate questions: What happens when life turns out nothing like we thought it would, when we were young and dreaming big? Does growing up mean choosing with your head, rather than your heart? And do we ever truly get over our first love?

### PRAISE

**"Lovering delivers another winner with *Can't Look Away*, a propulsive page-turner about young love and second chances. You won't be able to put this down." —Laura Dave, #1 *New York Times* bestselling author of *The Last Thing He Told Me***

**"Get ready for rock and roll, heady nights, and the sting of unrequited love that marinates into a dangerous obsession. *Can't Look Away* is part love story, part domestic suspense, and Lovering weaves her characters tighter and tighter until the tension is ready to snap. You won't want to put this one down!" —Julie Clark, *New York Times* bestselling author of *The Last Flight***

**CAROLA LOVERING** is the author of *Too Good to Be True* and *Tell Me Lies*. A graduate of Colorado College, her work has appeared in *New York Magazine*, *National Geographic*, *Outside*, and *Yoga Journal*. She lives in Connecticut with her husband and son.

## Verissimus

*The Stoic Philosophy of Marcus Aurelius*

Donald J. Robertson; illustrated by Zé Nuno Fraga

**In the tradition of *Logicomix*, a riveting graphic novel on the life and stoic philosophy of Marcus Aurelius.**

Donald Robert's graphic novel *Verissimus* reimagines the life and philosophy of the Roman emperor Marcus Aurelius. Based closely on historical sources and weaving them into a thrilling historical epic, *Verissimus* teaches readers a philosophy of life through illustration. It opens with Marcus' death and tells the story of his entire journey: his education, relationships, wars, plague, and civil war -- all leading up to his remarkable death.

*Verissimus* illustrates key Stoic ideas, and focuses on developing love, empathy, and overcoming anger -- all emotions with which Marcus struggled. Robertson highlights several key relationships, and through them tells the story of the famous philosopher's intellectual journey and emotional transformation.

### PRAISE

## The Bridesmaids Union

*A Novel*

Jonathan Vatner

**From the author of *Carnegie Hill*, a captivating novel of family, Facebook groups, and bridesmaids gone rogue.**

Iris Hagarty has just about had it with weddings. After witnessing one too many meltdowns over flower arrangements, she takes to the internet to vent about the trials and tribulations of being a bridesmaid to her usually reasonable friends-turned-bridezillas. She finds she is not alone, and soon becomes the moderator of a Facebook group full of other bridesmaids, eager to share their own horror stories.

Enter Iris's own estranged sister Jasmine, the golden child and their parents' obvious favorite, who reemerges after several years, newly engaged and wanting none other than Iris to be her maid of honor. Knowing full well that Jasmine doesn't need a wedding to bring out her spoiled side, Iris buckles in for a drama-filled ride. At least now she has an outlet—one full of new online friends hungry for juicy details.

But as the Bridesmaids Union grows, Iris finds it harder to keep under control. And she even has some doubts about whether there will be a wedding after all. While Jasmine's fiancé, David, seems smitten with his bride-to-be, Iris is less sure about her social-climber sister's intentions. Though that could just be because Iris is having trouble keeping her eyes off of the groom herself.

Brimming with family drama, and set in the ever-encroaching world of Instagram DM's and Reddit threads, *The Bridesmaids Union* shows the power and limits of alliances we form on social media, and how to make the most of the ones we're...

# Red Sky Morning

*The Epic True Story of Texas Ranger Company F*

Joe Pappalardo

**Cowboy outlaws wanted them dead. Local authorities wanted them in prison. The true story of Texas Rangers Company F's season of shootouts in 1887.**

Between 1886 and 1888, Sgt. James A. Brooks, of Texas Ranger Company F, was engaged in three fatal gunfights, endured disfiguring bullet wounds, engaged in countless manhunts, was convicted for second-degree murder, and received a pardon from the U.S. president. His story anchors the tale of *Red Sky Morning*, an epic story of lawmen and criminals set in Texas during the waning years of the "Old West."

Alongside Brooks are the Rangers of Company F, who range from a pious teetotaler to a cowboy fleeing retribution for killing a man. They are all led by Captain William Scott, who cut his teeth as a freelance undercover informant but is now facing the end of his Ranger career. Company F hunts criminals across the state, killing them as needed, and are confident they can bring anyone to "Ranger justice." But Brooks' men may have met their match in the Conner family, East Texas master hunters and jailbreakers who are wanted for their part in a bloody family feud.

The full story of Company F's showdown with the Conner family is finally being told, with long dead voices being heard for the first time. This truly hidden history paints the grim picture of neighbors become murderers, snitches and bounty hunters, and a company of Texas Rangers who waded into the conflict only to find themselves over their heads – and in the fight of their lives.

## PRAISE

**"Red Sky Morning tells the tale of a bloody family rivalry worthy of a Jason Isbell song. The sharply drawn narrative brings to life a rich and interwoven cast of pioneers, outlaws, and gunslinging Rangers as they prepare for a showdown in the piney woods of East Texas. Pappalardo has delivered a hard-scrabble story that pairs well with a glass of nice whiskey." —Michael Mooney, *New York Times* bestselling author and *Texas Monthly* contributor**

**JOE PAPPALARDO** is the author of the critically acclaimed books *Sunflowers: The Secret History of Sunflowers* and *Spaceport Earth: The Reinvention of Spaceflight*. Pappalardo is a writer and former associate editor of *Air & Space Smithsonian* magazine and a former senior editor and current contributing editor at *Popular Mechanics*. ## The Last Paladin

*A Novel*

P. T. Deutermann

**A gripping tale of anti-submarine warfare in the World War II Pacific Theater, by a master of military adventure fiction.**

*The Last Paladin* by P.T. Deutermann is based on the true story of the USS Hayward (DE-24), a World War II Atlantic Fleet destroyer escort which has spent the past two years in the unforgiving battle for survival against the German U-boats of the North Atlantic.

Summoned to relieve destroyers that are bogged down by escort duty in the escalating Pacific Theater, The Hayward is met with a rather cold reception. In the eyes of Pacific Fleet sailors, North Atlantic convoy duty pales in comparison to the bloody, carrier-sinking battles of Savo Island and Guadalcanal. However, Atlantic Fleet ships have had to specialize in one thing: anti-submarine warfare. The Hayward is sent off into remote South Pacific operating areas with orders to find and destroy Japanese submarines—but with little expectation of success. Her commanders take the mission literally; using radio intercepts that are being ignored at higher levels, they determine that the Japanese have set up a 1000-mile-long picket line of seven submarines, an entire squadron's worth, to act as a moveable barrier against the expected American advance into the next set of islands. These submarines are poised to sink every American aircraft carrier and destroyer and to change the course of the war.

What happens next is one of the legendary stories of the US Navy. *The Last Paladin* is high stakes naval warfare at its best, told with utter authenticity and a former ship captain's unders...

### PRAISE

**Praise for *Trial By Fire*:**

**"Heroism abounds as Deutermann skillfully brings moments like the rescue of 300 men trapped below decks to life, while also vividly conveying the sensations of pervading death...fans of naval history will be enthralled." —*Publishers Weekly***

**Praise for *The Nugget*:**

**"Readers who enjoy WWII stories, especially those involving the air war, will be entranced...[Deutermann] is at the top of his game here." —Jeff Ayers, *Booklist***

**P.T. DEUTERMANN** is the noted author of many previous novels based on his experiences as a senior staff officer in Washington and at sea as a Navy Captain, and later, Commodore. His WWII works include *Pacific Glory*, which won the W.Y. # The Ruins

*A Novel*

Phoebe Wynne

**A suspenseful, feminist Gothic coming-of-age tale with shades of Patricia Highsmith and ATONEMENT, pitched against the sun-soaked backdrop of the French Riviera.**

Welcome to the Chateau des Sètes, a jewel of the Cote d'Azur. Ruby Ashby adores her parents' house in France, but this August, everything feels different. Unexpected guests have descended upon the chateau—friends of her parents, and their daughters—and they are keen to enjoy the hot, extravagant summer holiday to its fullest potential. Far from England, safe in their wealth and privilege, the adults revel in bad behavior without consequence, while the girls are treated as playthings or abandoned to their own devices. But despite languid days spent poolside and long nights spent drinking, a simmering tension is growing between the families, and the sanctuary that Ruby cherishes soon starts to feel like a gilded cage.

Over two decades later the chateau is for sale, its days of splendor and luxury long gone, leaving behind a terrible history and an ugly legacy. A young widow has returned to France wanting to purchase the chateau despite her shocking memories of what transpired that fateful summer. But there is another person who is equally haunted by the chateau and who also seeks to reclaim it. Who will set the chateau free—and who will become yet another of its victims?

With riveting psychological complexity, *The Ruins* captures the glittering allure of the Mediterranean—and the dark shadows that wait beneath the surface.

**PRAISE****Praise for *The Ruins*:**

**"I was completely transported by *The Ruins*. Phoebe Wynne has evocatively rendered a beautiful, doomed French chateau while creating immersive, almost dream-like atmospherics. I loved this novel."**

—Sarah Pearse, *New York Times* bestselling author of *The Sanatorium*

**"Tense and atmospheric, *The Ruins* investigates trauma and memory with a knowing, meticulous hand. The Chateau des Sètes—in all its crumbling, sinister glory—will imprint on your psyche as if you, too, spent a fateful summer there years ago...but it's the young women who call it home that leave the most lasting impression. This is a book that understands the inherent the inherent dangers of girlhood, and one that believes wholeheartedly in the innate resilience, bravery, and compassion of teenage girls themselves."**—Emily Layden, author of *All Girls*

**PHOEBE WYNNE** is the author of *Madam* and *The Ruins*. She worked in education for nearly a decade and taught Classics in the UK and English Language and Literature in Paris. She is British and French, and currently splits her time between France and England.

## They Want to Kill Americans

*The Militias, Terrorists, and Deranged Ideology of the Trump Insurgency*

Malcolm Nance

**New York Times bestselling author, Malcolm Nance, offers a chilling warning on a clear, present and existential threat to our democracy... our fellow Americans**

To varying degrees, as many as 74 million Americans have expressed hostility towards American democracy. Their radicalization is increasingly visible in our day to day life: in neighbor's or family member's open discussion of bizarre conspiracy theories, reveling in the fantasy of mass murdering the liberals they believe are drinking the blood of children. These are the results of the deranged series of lies stoked by former President Donald Trump, made worse by the global pandemic.

The first steps of an American fracture were predicted by Malcolm Nance months before the January 6, 2021 insurrection, heralding the start of a generational terror threat greater than either al-Qaeda or the Islamic State. Nance calls this growing unrest the Trump Insurgency in the United States or TITUS.

The post-2020 election urge to return to a place of "normalcy"—to forget—is the worst response we can have. American militiamen, terrorists, and radicalized political activists are *already* armed in mass numbers and regularly missed in the media; principally because Trump's most loyal and violent foot soldiers benefit from the ultimate privilege—being white.

*They Want to Kill Americans* is the first detailed look into the heart of the active Trump-led insurgency, setting the stage for a second nation-wide rebellion on American soil. This is a chilling and deeply researched early warning to the nation from a counterterrorism intelligence professional: America is primed for a possible explosive wave of terrorist attacks and armed confrontations that aim to bring about a Donald Trump led dictatorship.

**PRAISE**

**"[Nance is] one of the great unsung national security geniuses of the modern era."**  
—Rachel Maddow

**"We tend to listen up when Malcolm Nance comes on our broadcast."** —Brian Williams, *The 11th Hour*, MSNBC

**Corinne***A Novel*

Rebecca Morrow

**An unforgettable story about a love that won't let go.**

You want to walk away from the things that were bad for you and never look back.

That's what Corinne Callahan wants.

Cast out of the fundamentalist church she was raised in and cut off from her family, Corinne builds a new life for herself. A good one. But she never stops missing the life - and the love - she's left behind.

It's Enoch Miller who ruins everything for her. *It was always Enoch Miller.* She'll never get him out from under her skin.

Set over fifteen years and told with astonishing intimacy, *Corinne* is the story of a woman who risks everything she's built for the one man she can never have.

**PRAISE**

**"It's a modern-day Romeo & Juliet, and you'll whip through pages to hope for the impossible." — Jodi Picoult, #1 *New York Times* bestselling author of *The Book of Two Ways***

**REBECCA MORROW** is a pseudonym for a *New York Times* bestselling author. She lives with her family in the American Midwest.

# The Bodyguard

*A Novel*

Katherine Center

**New York Times bestselling author Katherine Center's next novel is unabashedly romantic, laugh-out-loud funny, and the perfect summer read.**

***She's got his back.***

Hannah Brooks looks more like a kindergarten teacher than somebody who could kill you with a wine bottle opener. Or a ballpoint pen. Or a dinner napkin. But the truth is, she's an Executive Protection Agent (aka "bodyguard"), and she just got hired to protect superstar actor Jack Stapleton from his middle-aged, corgi-breeding stalker.

***He's got her heart.***

Jack Stapleton's a household name—captured by paparazzi on beaches the world over, famous for, among other things, rising out of the waves in all manner of clingy board shorts and glistening like a Roman deity. But a few years back, in the wake of a family tragedy, he dropped from the public eye and went off the grid.

***They've got a secret.***

When Jack's mom gets sick, he comes home to the family's Texas ranch to help out. Only one catch: He doesn't want his family to know about his stalker. Or the bodyguard thing. And so Hannah—against her will *and* her better judgment—finds herself pretending to be Jack's girlfriend as a cover. Even though her ex, like a jerk, says no one will believe it.

***What could possibly go wrong???***

Hannah hardly believes it, herself. But the more time she spends with Jack, the more real it all starts to seem. And there lies the heartbreak. Because it's easy for Hannah to protect Jack. But protecting her own, long-neglected heart? That's the hardest thing she's ever done.

## PRAISE

**Praise for *What You Wish For*:**

**"This charming, often lighthearted novel touches on serious issues and celebrates the power of joy to trump fear and despair." — *People***

KATHERINE CENTER is the New York Times bestselling author of over a half dozen novels, including *What You Wish For*, *Things You Save in a Fire*, and *How to Walk Away*. Katherine has been compared to Nora Ephron and Jane Austen. The Dallas Morning News calls her stories, "satisfying in the most soul-nourishing way." Katherine recently gave a TEDx talk on how stories teach empathy. Her work has appeared in *USA Today*, *InStyle*, *Redbook*, *People*, *The Atlantic*, *Real Simple*, and more. She lives in Houston with her husband and two kids.

## Slaying the Dragon

*A Secret History of Dungeons and Dragons*

Ben Riggs

**The secret and untold story of how TSR, the company that created *Dungeons & Dragons*, was driven into ruin by disastrous management decisions, then purchased and saved by their bitterest rival.**

For twenty years, a story has been told about the first company that made *Dungeons & Dragons*, TSR, and the story goes something like this: *Dungeons & Dragons* created the genre of role-playing games in 1974, and that made TSR successful. In the 1990's, Wizards of the Coast created a new kind of game, the collectible card game. People started playing Wizards' flagship product, *Magic: The Gathering*, and that competition killed TSR. In a twist worthy of a Greek tragedy, Wizards ended up buying TSR. It is a story of competition and creative destruction, as capitalism teaches us is right and good.

That story is entirely wrong.

Through hundreds of hours of interviews, endless research, and the help of anonymous sources providing secret documents, the true story of what happened to TSR and *Dungeons & Dragons* can finally be told. TSR did not so much die in capitalist combat as it bled to death of self-inflicted wounds. The true history is that of disastrous mistakes, and decisions founded on arrogance rather than good sense. Debts were racked up, geniuses driven from the company, and countless of thousands of products were shipped and sold at a loss, with no one noticing until after the fact. The story of TSR provides a negative blueprint, an example of what a company should not do in the geek business space.

And it is a story entirely untold until now.

### PRAISE

**"Riggs weaves a tale of corporate intrigue, personal ego, and failed saving throws that will fascinate any fan of D&D. Whether you're a grognard, still clutching your red box rules and grumbling about THAC0, or a recent convert to the greatest game the world has ever played, you're going to love *Slaying the Dragon*!" —Tim Akers, author of *Night Watch***

**"Herein are the secrets and myths, the highs and lows, and hidden world of the magical realm of TSR and its creation: *Dungeons & Dragons*. An indispensable account about the legends and truth from the people that worked there. Highly recommended!" —Mike Mason, co-designer of *Call of Cthulhu* 7th edition**

**BEN RIGGS'** writing has appeared in gaming periodicals, books, and blogs. His podcast, Plot Points, is now entering its sixth year. His work has appeared in *The Unspeakable Oath*, the nation's premier horror gaming magazine, and on NPR's *To The Best of Our Knowledge*. ## Long Train Runnin'

### *Our Story of The Doobie Brothers*

Tom Johnston and Pat Simmons with Chris Epting

**For the first time, the incredible true story of the legendary band, The Doobie Brothers, written by founding members Pat Simmons and Tom Johnston.**

Only a very few rock bands have had the longevity, success, and drama of The Doobie Brothers. Born out of late 1960's NorCal, and led by Pat Simmons and Tom Johnston, they stood alongside their contemporaries The Grateful Dead, The Allman Brothers, and many others as an iconic American rock band. The train was rolling along, hits were flowing like wine, and arenas were packed with fans who wanted to see them live...then Tom Johnston, the band's front man and lead guitarist, became ill and had to leave.

The Doobies' train came to a screeching halt, just as things were taking off. But Pat Simmons made sure they were far from the end and began the process of keeping the band together through most of the next decade. A soul-steeped backup singer for Steely Dan named Michael McDonald took a shot at singing some of the Doobies' songs on tour, and all of a sudden a new chapter in The Doobie Brothers' story began. The band expanded their sound and had even more hits with their new front addition. Tom recovered from his health issues, but the band had moved on. When it came time for a reunion concert in the '80s, Tom got the call and was back in the mix. Led once again by Pat and Tom, The Doobie Brothers have been touring ever since and maintain a massive fan base the world over.

Never before have Pat and Tom shared their story, in their own words. In *Long Train Runnin'* they'll change that.

### PRAISE

**"The Doobie Brothers' saga truly is one of the untold stories in rock." —*Rolling Stone***

**PAT SIMMONS** and **TOM JOHNSTON** are founding members of The Doobie Brothers. The band was inducted into the Rock and Roll Hall of Fame in 2020, won four Grammy Awards, and has sold nearly 50 million records with five Top 10 singles and 16 Top 40 hits. Their '76 album *Best of the Doobies* has sold over 12 million copies, achieving the rare Diamond Certification by the RIAA (fewer than 100 albums have accomplished this).

**CHRIS EPTING** is the author of many books including the music memoirs *Adrenalized* (with Phil Collen) and *Change of Seasons* (with John Oates). As a music journalist he has written extensively for the Huffington Post, Ultimate Classic Rock, and many others.

# The Women of Rothschild

*The Untold Story of the World's Most Famous Dynasty*

Natalie Livingstone

**Natalie Livingstone reveals the role of women in shaping the legacy of the famous Rothschild dynasty, synonymous with wealth and power.**

From the East End of London to the Eastern seaboard of the United States, from Spitalfields to Scottish castles, from Bletchley Park to Buchenwald, and from the Vatican to Palestine, Natalie Livingstone follows the extraordinary lives of the Rothschild women from the dawn of the nineteenth century to the early years of the twenty-first.

As Jews in a Christian society and women in a deeply patriarchal family, they were outsiders. Excluded from the family bank, they forged their own distinct dynasty of daughters and nieces, mothers and aunts. They became influential hostesses and talented diplomats, choreographing electoral campaigns, advising prime ministers, advocating for social reform, and trading on the stock exchange. Misfits and conformists, conservatives and idealists, performers and introverts, they mixed with everyone from Queen Victoria to Chaim Weizmann, Rossini to Isaiah Berlin, and the Duke of Wellington to Alec Guinness, as well as with amphetamine-dealers, suffragists and avant-garde artists. Rothschild women helped bring down ghetto walls in early nineteenth-century Frankfurt, inspired some of the most remarkable cultural movements of the Victorian period, and in the mid-twentieth century burst into America, where they patronized Thelonious Monk and drag-raced through Manhattan with Miles Davis.

Absorbing and compulsive, *The Women of Rothschild* gives voice to the complicated, privileged, and gifted women whose vision and tenacity shaped history.

## PRaise

**"Gripping...Livingstone shows that Rothschild women were the velvet gloves guiding the iron fists of their male relatives and far from being mere appendages, they acted as trusted confidants and silent partners." --Hannah Rothschild, author of *The Improbability of Love***

**"Captivating, intimate, dazzling, epic, and revelatory." --Simon Sebag-Montefiore**

**"This brilliantly researched and scintillatingly written book is proof positive that the female of the Rothschild species were even more fascinating and talented than the males." --Andrew Roberts, author of *Churchill: Walking with Destiny***

**NATALIE LIVINGSTONE** was born and raised in London. She graduated with a first class degree in history from Christ's College, Cambridge in 1998. She began her career as a feature writer at the *Daily Express* and now contributes to *Tatler*, *Harper's Bazaar*, *US Vogue*, *Elle*, *The Times*, and *The Mail on Sunday*. Natalie lives in London with her husband and three children. She is the author of *The Mistresses of Cliveden* and *The Women of Rothschild*.

## How to Navigate Life

*The New Science of Finding Your Way in School, Career, and Beyond*

Belle Liang, Ph.D., and Timothy Klein, LCSW

**Two award-winning educators at the forefront of purpose learning tackle what students, families, and educators can do now to cut through stress and find a path to what truly interests them.**

Today's college-bound kids are stressed, anxious, and navigating demands in their lives unimaginable to a previous generation. They're performance machines, hitting the benchmarks they're "supposed" to in order to reach the next tier of a relentless ladder. Then, their mental and physical exhaustion carries over right into first jobs. What have traditionally been considered the *best* years of life have become the *beaten-down* years of life.

Liang and Klein devote their careers both to counseling individual students and to cutting through the daily pressures to show a better way, a framework, and set of questions to find kids' "true north": what really turns them on in life, and how to harness the core qualities that reveal this, allowing them to choose a course of study, a college, and a career.

Even the gentlest parents and teachers tend to play into pervasive societal pressure for students to PERFORM. And when we take the foot off the gas, we beg the kids to just figure out what their PASSION is. Neither is a recipe for mental or physical health, or, ironically, for performance or passion. *How to Navigate Life* shows that successful human beings instead tap into their PURPOSE—the *why* behind the what and how. Best of all, purpose is a completely translatable quality to every aspect of life, from first jobs to last jobs and everything in between.

**Belle Liang** is a professor of Counseling Psychology in the Lynch School of Education and Human Development at Boston College.

**Tim Klein** is an award-winning urban educator, clinical therapist, and school counselor.

Together, Liang and Klein developed True North, a curriculum and web-based application for creating purpose profiles to be used in schools and universities, at Boston College.

## Listening Well

*Bringing Stories of Hope to Life*

Heather Morris

**From the author of the bestselling, multi-million selling novels THE TATTOOIST OF AUSCHWITZ and CILKA'S JOURNEY, comes the memoir of a life of listening to others.**

In *Listening Well*, Heather will explore her extraordinary talents as a listener - a skill she employed when she first met Lale Sokolov, the tattooist at Auschwitz-Birkenau and the inspiration for her bestselling novel. It was this ability that led Lale to entrust Heather with his story, which she told in her novel *The Tattooist of Auschwitz* and the bestselling follow up, *Cilka's Journey*.

Now Heather shares the story behind her inspirational writing journey and the defining experiences of her life, including her profound friendship with Lale, and explores how she learned to really listen to the stories people told her - skills she believes we can all learn.

**'Stories are what connect us and remind us that hope is always possible.' - Heather Morris**

#### PRAISE

**Praise for *Cilka's Journey*:**

**"In the stirring follow-up to *The Tattooist of Auschwitz*, Morris tells the story of a woman who survives Auschwitz, only to find herself locked away again. Morris's propulsive tale shows the goodness that can be found even inside the gulag."**

**—Publishers Weekly**

**Praise for *The Tattooist of Auschwitz*:**

**"Based on a true story, the wrenching yet riveting tale of Lale's determination to survive the camp with Gita is a moving testament to the power of kindness, ingenuity, and hope." —People**

**"*The Tattooist of Auschwitz* is the story of hope and survival against incredible odds and the power of love." —PopSugar**

**HEATHER MORRIS** lives in Australia. While working in a hospital in Melbourne, she studied and wrote screenplays, one of which was optioned by an Academy Award-winning screenwriter in the US. In 2003, Heather met a gentleman, Lale Sokolov, who 'might have a story worth telling'. Lale entrusted the innermost details of his life during the Holocaust to her. Heather originally wrote his story as a screenplay – before reshaping it into her debut novel, *The Tattooist of Auschwitz*.

# All the Ruined Men

*Stories*

Bill Glose

**For readers of Phil Klay, Kevin Powers, and Tim O'Brien:  
Dramatic, powerful, authentic short stories of soldiers fighting  
a "forever war," in combat and back home.**

Combat takes a different toll on each soldier; so does coming home. *All the Ruined Men* by Bill Glose comprises linked stories that show veterans struggling for normalcy as they grapple with flashbacks, injuries (both physical and psychological), damaged relationships, loss of faith, and loss of memory. Beginning in 2003, *All the Ruined Men* spans ten years, from the confident beginning of America's "forever war" to the confusion and disillusionment that followed.

As a former paratrooper and Gulf War veteran, author Bill Glose is closely bound to these stories. Drawing from his own experiences and military knowledge, Glose presents a cast of complex and sympathetic characters: young men who embraced what seemed like a war of just cause, who trained and fought and lived and died together, and who have returned to families, wives, children, civilian life, and an America that has lost its way.

Unforgettable, moving, filled with moments of anguish, doubt, love, hope, and other emotions, *All the Ruined Men* is a singular debut collection.

## PRAISE

**"Through these heartfelt stories Bill Glose shatters the myth of the tight-lipped, stoic veteran." —Will Mackin, author of *Bring Out the Dog***

**"Brutally honest.... An important book all Americans should read to understand the fallout from twenty years of continuous war." —Brian Castner, author of *The Long Walk***

**"Searing, evocative, masterfully told." —Mark Treanor, author of *A Quiet Cadence***

**"This accomplished book is more than a collection of war tales. It's a reckoning." —Matt Gallagher, author of *Empire City* and *Youngblood***

**BILL GLOSE** is a combat veteran and former paratrooper. The author of five books of poetry and hundreds of magazine articles, his stories, poems, and essays have appeared in numerous publications, including *The Missouri Review*, *The Sun*, *Narrative Magazine*, and *The Writer*. His honors include the F. Scott Fitzgerald Short Story Award, the Robert Bausch Fiction Award, and the Dateline Award for Excellence in Journalism. Glose was named the Daily Press Poet Laureate in 2011 and featured by NPR on *The Writer's Almanac* in 2017. He maintains a page of helpful information for writers on his website, [BillGlose.com](http://BillGlose.com).

## Stay Awake

*A Novel*

Megan Goldin

**In the vein of SJ Watson's *BEFORE I GO TO SLEEP* and Christopher Nolan's cult classic *MEMENTO*, Megan Goldin's *STAY AWAKE* is an electrifying novel that plays with memory and murder.**

Liv Reese wakes up in the back of a taxi with no idea where she is or how she got there. When she's dropped off at the door of her brownstone, a stranger answers—a stranger who now lives in her apartment and forces her out in the cold. She reaches for her phone to call for help, only to discover it's missing, and in its place is a bloodstained knife. That's when she sees that her hands are covered in black pen, scribbled messages like graffiti on her skin: *STAY AWAKE*.

Two years ago, Liv was living with her best friend, dating a new man, and thriving as a successful writer for a trendy magazine. Now, she's lost and disoriented in a New York City that looks nothing like what she remembers. Catching a glimpse of the local news, she's horrified to see reports of a crime scene where the victim's blood has been used to scrawl a message across a window, the same message that's inked on her hands. What did she do last night? And why does she remember nothing from the past two years? Liv finds herself on the run for a crime she doesn't remember committing as she tries to piece together the fragments of her life. But there's someone who does know exactly what she did, and they'll do anything to make her forget—permanently.

A complex thriller that unfolds at a breakneck speed, *STAY AWAKE* will keep you up all night.

### PRAISE

**Praise for *The Night Swim*:**

**"Outstanding...[Goldin's thriller] casts a searing light on small-town politics."  
—*Publishers Weekly* (starred)**

**"Goldin's prose is inviting, at times electrifying, and always sensitive in dealing with hot-button issues...well done." —*Booklist* (starred)**

**"A blistering plot and crisp writing make *The Night Swim* an unputdownable read."  
—Sarah Pekkanen, bestselling author of *The Wife Between Us***

**MEGAN GOLDIN** worked as a correspondent for Reuters and other media outlets where she covered war, peace, international terrorism and financial meltdowns in the Middle East and Asia. She is now based in Melbourne, Australia where she raises three sons and is a foster mum to Labrador puppies learning to be guide dogs. She is the author of *The Escape Room* and *The Night Swim*.

# Swerve or Die

*Life at My Speed in the First Family of NASCAR Racing*

Kyle Petty and Ellis Henican

**An insider account and history of the NASCAR world from one of its biggest stars, Kyle Petty.**

*No one knows NASCAR—with all its drama, controversy, and excitement—like Kyle Petty does.*

*Swerve or Die* is the smart NASCAR book that's never been written before, a real insider's account of exactly how stock-car racing got to be so controversial and how its Southern-bred worldview is shaking American life yet again. Kyle Petty, a third generations racer, current NASCAR commentator, and one of the most beloved figures in the sport, takes readers deep into the heart of the NASCAR he knows. Through deeply personal stories from his racing career, and that of his father and grandfather, he talks about the biggest stars, the most exciting races and, especially the tough, defining issues the sport has had to face. There is no way to grasp today's wrenching battles for NASCAR's soul without first knowing about the many dramatic moments throughout NASCAR's history, and Petty recounts them all in a story packed with huge characters and plenty of laughs (and details that even the most ardent NASCAR fans don't know). He also lays out his vision for NASCAR's future, and discusses in clear and simple terms how the sport can bring in new people without driving away old ones.

*Swerve or Die* is a must-read for anyone who cares about NASCAR, as well as the perfect primer for anyone who's ever wondered, "What the hell really goes on in there?"

## PRAISE

**It's always darkest in the shadow of greatness. Each generation has had to prove itself along the way, and believe me it doesn't get easier. Kyle's story is a uniquely American one about a uniquely American sport. I highly recommend it. - Jay Leno**

**After all the things Kyle's done, I knew there had to be a book in there somewhere. Well, here it is. And I'll tell you what: Kyle doesn't believe in keeping secrets. Even I learned some things in here. And yeah, his mom deserves all the credit for how he**

**KYLE PETTY** is a former American stock-car racer and current racing commentator on NBC Sports. He is the son of racing icon Richard Petty, the grandson of original racer Lee Petty and the father of rising racer Adam Petty, who was killed in a crash in May 2000.

**ELLIS HENICAN** is a Pulitzer Prize-winning journalist, a popular TV pundit, and a multi-*New York Times* bestselling author. His website is [henican.com](http://henican.com).

# All the Living and the Dead

*From Embalmers to Executioners, an Exploration of the People Who Have Made Death Their Life's Work*

Hayley Campbell

**A compelling exploration of the death industry and the people--morticians, detectives, crime scene cleaners, embalmers, executioners--who work in it and what led them there.**

Embarking on a 3-year trip across the US and the UK, journalist Hayley Campbell—inspired by her longtime fascination with death, thanks to a childhood surrounded by her father's Jack the Ripper cartoons—met with a variety of professionals in the death industry to see how they work. Along the way, Campbell encountered funeral directors, embalmers, a man who dissects cadavers for anatomy students, and a former executioner who is responsible for ending 62 lives. She sat in a van with old gravediggers who have already dug their own graves. She raked out bones and ash with a man who works in a crematorium. She dressed a dead man for his coffin, held a brain at an autopsy, and went for late-night Chinese with a homicide detective. Through Campbell's prodding, reverent interviews with these people who see death every day, Campbell pieces together the psychic jigsaw to ask: Why would someone choose a life of working with the dead? Does being so near to lifeless bodies alter your perspective? Does an antidote to the fear of death exist?

A dazzling work of cultural criticism, *All the Living and the Dead* weaves together reportage with memoir, history, and philosophy, to offer readers a fascinating look into the psychology of Western death. And in the vein of Caitlin Doughty and Mary Roach, Campbell sharply investigates her—and our—own fascinations and fears through her encounters with this series of extraordinary people.

**HAYLEY CAMPBELL** has written for *BuzzFeed*, *WIRED*, *Empire*, *VICE/VICE Sports*, *New Statesman*, *McSweeney's*, *The Comics Journal*, *The Guardian*, *GQ*, *Esquire*, and the *Observer Magazine*. She is the author of *The Art of Neil Gaiman*—a fully authorized, lavishly illustrated biography of Gaiman and his work—and lives in Highgate, London, near the cemetery.

## Dispatches from the Gilded Age

*A Few More Thoughts on Interesting People, Far-Flung Places, and the Joys of Southern Comforts*

Julia Reed, Edited by Everett Bexley, Foreword by Roy Blount, Jr.

**A collection of essays by Julia Reed, one of America's greatest chroniclers.**

In the middle of the night on March 11, 1980, the phone rang in Julia Reed's Georgetown dorm. It was her boss at *Newsweek* where she was an intern. He told her to get in her car and drive to the Madeira School where she had been a student. Her former headmistress, Jean Harris, had just shot Dr. Herman Tarnower, The Scarsdale Diet Doctor. Julia didn't flinch. She dressed, drove to Madeira, got the story and her first byline and the new American Gilded Age was off and running.

The end of the twentieth century and the beginning of the twenty-first was a time in which the high and the low bubbled furiously together and Julia was there with her sharp eye, keen wit, and uproariously clear-eyed way of seeing the world to chronicle this truly spectacular era. *Dispatches from the Gilded Age* is Julia at her best as she profiles Andre Leon Talley, Sister Helen Prejean, President George and Laura Bush, Madeline Albright, and others. Readers will travel to Africa and Cuba with Julia, dine at Le Bernardin, drink at the Ritz Hotel in Paris, savor steaks at Doe's Eat Place, consider the fashions of the day, get the recipes for her hot cheese olives and end up with the ride of their lives through Julia's beloved South. With a foreword by Roy Blount, Jr. and edited by her longtime assistant, Everett Bexley, *Dispatches from the Gilded Age* establishes Julia Reed as one of America's greatest chroniclers.

**JULIA REED** (1960-2020) was a contributing editor at *Garden & Gun*, where she wrote the magazine's "The High & the Low" column. Her books include *But Mama Always Puts Vodka in Her Sangria*; *Ham Biscuits, Hostess Gowns, and Other Southern Specialties*; and *Queen of the Turtle Derby and Other Southern Phenomena*. Reed divided her time between New Orleans and Greenville, Mississippi.

## Berlin: Life and Death in the City at the Center of the World

*Life and Death in the City at the Center of the World*

Sinclair McKay

**A portrait of Berlin from 1919 forward that explores its broad human history, from the end of the Great War to the Blockade, rise of the Wall, and beyond.**

In *The Fire and the Darkness*, Sinclair McKay chronicled the horrific Allied firebombing of Dresden. In *Berlin*, he gives readers a history of the city from 1919, after it survived WWI, up through its destruction in WWII's Battle of Berlin in 1945 and how it rose, though divided in two, to once again become one of the world's pinnacles of cultural and political importance.

McKay begins by taking readers back to 1919 when Berlin emerged from the shadows of the Great War to become an extraordinary by-word for modernity—in art, cinema, architecture, industry, science, and politics. He traces the city's history through the rise of Hitler and the Battle for Berlin which ended in the final conquest of the city in 1945. It was a key moment in modern world history, but beyond the global repercussions lay thousands of individual stories of agony. From the countless women who endured nightmare ordeals at the hands of the Soviet soldiers to the teenage boys fitted with steel helmets too big for their heads and guns too big for their hands, McKay thrusts readers into the human cataclysm that tore down the modernity of the streets and reduced what was once the most sophisticated city on earth to ruins.

Amid the destruction, a collective instinct was also at work—a determination to restore not just the rhythms of urban life, but also its fierce creativity. In Berlin today, there is a growing and urgent recognition that the testimonies of the ...

**PRAISE**

**Praise for *The Fire and the Darkness***

**"Disturbing and compelling in equal measure. Sinclair McKay brings a dark subject vividly to life."—Keith Lowe, author of *Savage Continent* and *The Fear and the Freedom***

**"A full and powerful account of warfare that ignored the distinction between military and civilian objectives."—*Kirkus Reviews***

**SINCLAIR MCKAY** is a features writer for *The Telegraph* and *The Mail on Sunday*. He is also the acclaimed author of the bestselling *The Secret Life of Bletchley Park* and *Watching Darkness Fall*.

# Amy Among the Serial Killers

Jincy Willett

**Jincy Willett's most beloved characters return in this wickedly smart and funny take on the thriller genre by one of our most acclaimed literary humorists.**

Carla Karolac is doing just fine. Having escaped the clutches of her controlling mother and founded a successful writing retreat in which participants are confined to windowless cells until they hit their daily word count, she lives a comfortable, if solitary, life. If only her therapist and retreat participant, Toonie, would stop going on about Carla's nonexistent love life and start addressing her writer's block, she might be able to get somewhere. But then Toonie is found murdered in her own cell, suddenly Carla's memoir is the least of her concerns. Without quite knowing why, she dials an old phone number.

Amy Gallup, retired after decades as a writing instructor, is surprised to hear from her former student Carla out of the blue, three years since they last spoke. She's even more shocked when she finds out the reason for Carla's call. Suddenly, she finds herself swept up in a murder investigation that soon brings her whole old writing group back together. But they'll need all the help they can get, as one murder leads to another, and suspicions of a serial killer mount across San Diego.

Full of Jincy Willett's trademark dark humor, an unforgettable cast of characters, and two of the most endearingly imperfect protagonists who have ever attempted to solve a murder, *Amy Among the Serial Killers* shows us what can be gained when we begin to break down our own walls and let others into our lives...as long as they aren't murderers.

## PRAISE

**Praise for *Amy Falls Down*:**

**"I loved this novel—it's totally brilliant—witty and mordant and filled with these wonderful insights into the state of publishing and writing and the way we are now. I thought Willett couldn't top *Winner of the National Book Award*, but I was wrong—this one definitely does." — Nancy Pearl**

**"Willett uses her charmingly filterless heroine as a mouthpiece to slam a parade of thinly veiled literati and media personalities with riotous accuracy, but she balances the snark with moments of poignancy." — *Publishers Weekly* (starred review)**

**JINCY WILLETT** is the author of *Amy Falls Down*, *Jenny and the Jaws of Life*, *Winner of the National Book Award*, and *The Writing Class*, which have been translated and sold internationally. Her stories have been published in *Cosmopolitan*, *McSweeney's Quarterly*, and other magazines. She frequently reviews for *The New York Times Book Review*. Willett spends her days parsing the sentences of total strangers and her nights teaching and writing.
