SURROUNDED BY... SERIES

Thomas Erikson's simple 4-color behavior system has changed the lives of millions of readers since *Surrounded by Idiots* became an international bestseller. The 4-color DISC method helps readers reflect on how they respond to adversity, giving them the self-awareness to negotiate the inevitable obstacles of life with confidence.

Learn to deal with toxic, narcissistic behavior

In this thought-provoking, sanity-saving book, Thomas Erikson helps you understand what makes narcissists tick and, crucially, how to handle them without wearing yourself out in the process. With the help of the simple, four-color behavioral model made famous in *Surrounded by Idiots*, Erikson provides all the tools you need to manage not just the narcissists around you but everyday narcissism as well –something that is becoming more widespread in the age of social media. Engaging and practical, *Surrounded by Narcissists* will help you free yourself from narcissistic agendas so you can pursue a happier, more fulfilling and successful life.

January 04, 2022

What do you see when you look in the mirror, Mei? Do you see beauty?

We see eyes that point toward the sun, that give us the warmth and joy of a thousand rays when you smile. We see hair as inky black and smooth as a peaceful night sky. We see skin brushed with gold.

This joyful and lyrical picture book from Eva Chen is a moving ode to the immigrant experience, as well as a manifesto of self-love for Chinese American children.

From Kamala Harris' white pantsuit to Judy Garland's ruby slippers to Mamie Johnson's blue baseball uniform, powerful and inspiring women from throughout history have proved that "awesome" comes in all colors!

A Is for Awesome provided an ABC of amazing women from throughout history. *3 2 1 Awesome* counted down some of their most amazing accomplishments. Now with their third concept board book original, *Colors of Awesome*, the *New York Times*-bestselling dynamic duo Eva Chen and Derek Desierto pairs groundbreaking feminist icons with all the colors of the rainbow and beyond.
