# Surf's Up, Dude!

Decorate your own surfboard, dude!

# Maze Game

Dude! Can you help Shark, Beaver, and Platypus find their way to the ice-cream stand?

Sup, dude! What's your favorite ice-cream flavor?  
Build your own ice-cream cone below!

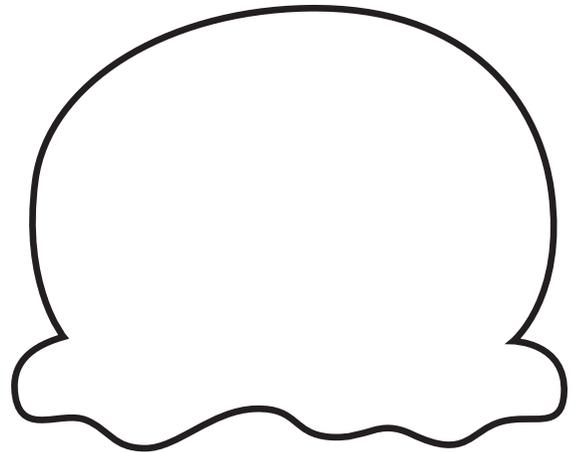

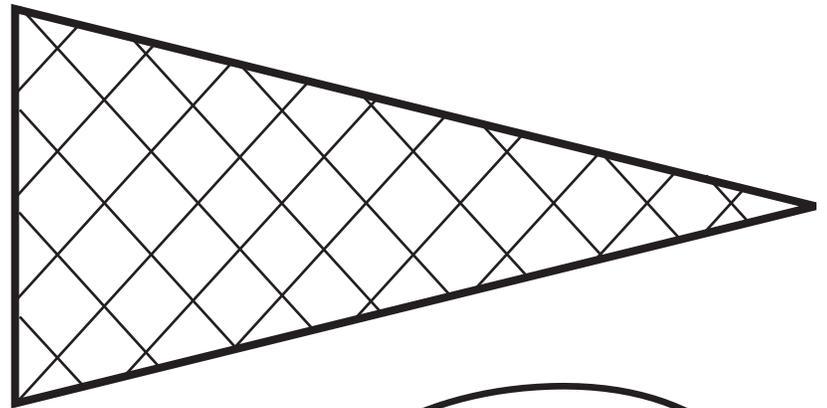

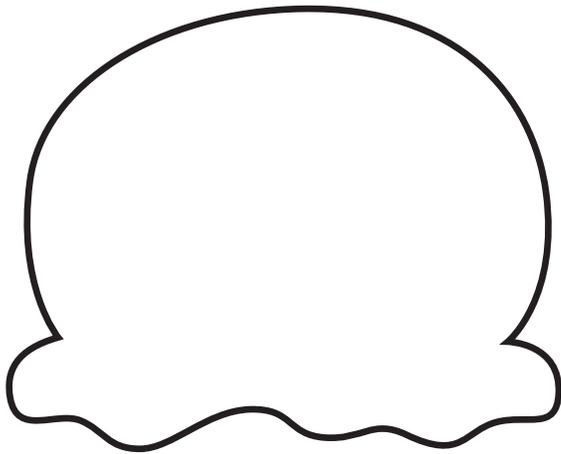

Use the templates below and different colored construction paper to build a paper ice-cream cone!  
How many scoops do you want to eat?

#### Supplies Needed:

- Crayons, colored pencils, markers, and other decorations
- Glue or tape
- Scissors and a grown-up dude to help!

#### Directions:

1. Have a grown-up (older dude) help use the templates below to cut out ice-cream scoops and an ice-cream cone
2. Use markers, crayons, colored pencils, glitter, and other art supplies to decorate your ice cream!
3. Glue or tape the ice-cream "scoops" onto the "cone." How tall can you make your ice-cream cone?
4. Have fun, dude!

# Cool Story, Dude!

In this book, the author and illustrator work together to tell a story using just one word and lots of funny images. Do you think you can tell a story only using the word "DUDE!"? Use the space below to create your own one word story.
