Spot The Difference Between Exhibits!

Museums are filled with lots of knowledge and lots of cool artifacts and paintings and treasured items.
Can you **spot the 5 differences** between these two pictures of museum exhibitions?

ANSWER KEY, from left to right: 1. Two rockets in top picture, 1 rocket in bottom picture; 2. Boy's pants are black in bottom picture; 3. Flying bird moved to the lower left in bottom picture; 4. Explorer in the blue parka is pointing in the top picture, but not in the bottom picture; 5. to the right of the explorer in the blue parka, the top picture has 1 exhibit label and the bottom picture has 2 exhibit labels.
