THE MIXED-UP TRUCK ACCIDENTALLY MIXED-UP A CAKE!

You can make one too with this easy recipe. Find a parent to help, and let's get mixing!

Ingredients:

- 3 cups flour (to make these gluten free, use gluten-free all-purpose flour, almond flour, or coconut flour)
- 1¾ cups sugar • ½ tsp. baking powder • ½ tsp. baking soda
- 1 tsp. salt • 1 cup butter • 4 eggs
- 1 cup buttermilk • 2 tsp. vanilla extract

Instructions:

- Ask a grown-up to preheat the oven to 350 degrees.
- Combine dry ingredients in a large bowl.
- Lightly whisk eggs in a medium bowl. Add remaining ingredients and stir together until blended.
- Add wet ingredients to dry ingredients, mixing well until completely combined.
- Separate batter into three greased 9-inch round pans.
- Bake for about 20 minutes or until a toothpick comes out clean when inserted.
- Let cool for 10 minutes before removing from pan; cool completely on a wire rack.

Buttercream Frosting:

- Beat together: 2 cups butter, softened 1 tsp. vanilla extract
- Fold in 4-5 cups of powdered sugar in batches, scraping down the sides of the bowl between each batch.
- Stack the three round cakes with frosting in between each layer, and frost the top and outside generously!
