THE LITTLE GUYS MATCHING GAME

MATCH UP THE LITTLE GUYS!

To play, have a grown-up help cut out all of the cards, mix them up, and lay them facedown.

Taking turns, players flip over two cards. If the cards match, you have made a pair!

Keep those cards. If they don't match, turn them back over and the next player gets a turn.

When all the pairs have been found, the player with the most cards wins!
