DOGGO AND PUPPER

ABOUT THE BOOK

An old dog has to welcome a new puppy to the household, in this chapter book by #1 *New York Times* bestselling author Katherine Applegate.

Doggo is used to things being a certain way in his family. He likes routine. Cat says he's become boring. That is, until Pupper shows up!

Pupper is playful and messy, and turns the house upside down. Soon, the humans realize that Pupper needs some training, and off he goes to puppy school.

When Pupper comes back, he's well-behaved. He's not playful. He's not messy. But Doggo soon realizes that Pupper also isn't happy. So Doggo steps in to help, and rediscovers what it means to have fun.
