

Books for Teens Twenty-SixTEEN

Introducing Flatiron Books YA

"I'm not sure I've ever read anything that so skillfully balances so many YA elements so seamlessly and so movingly... will draw in teen readers and take them by surprise."

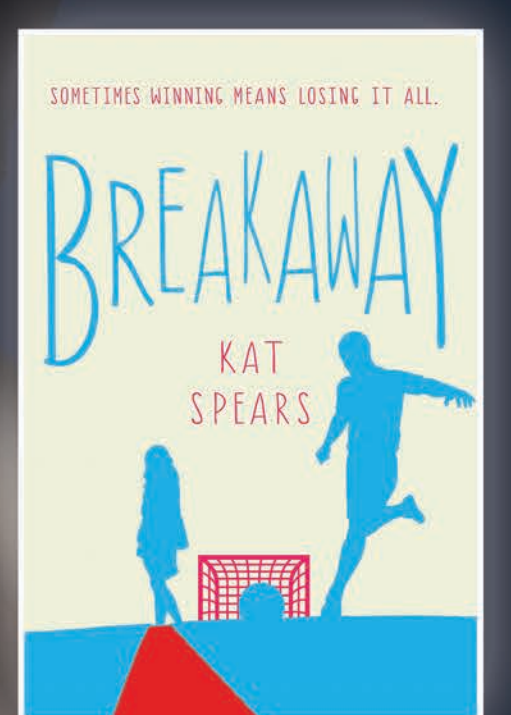

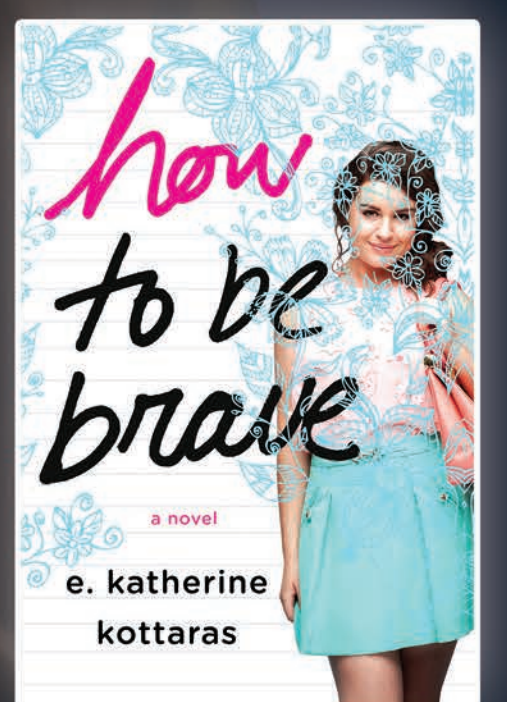

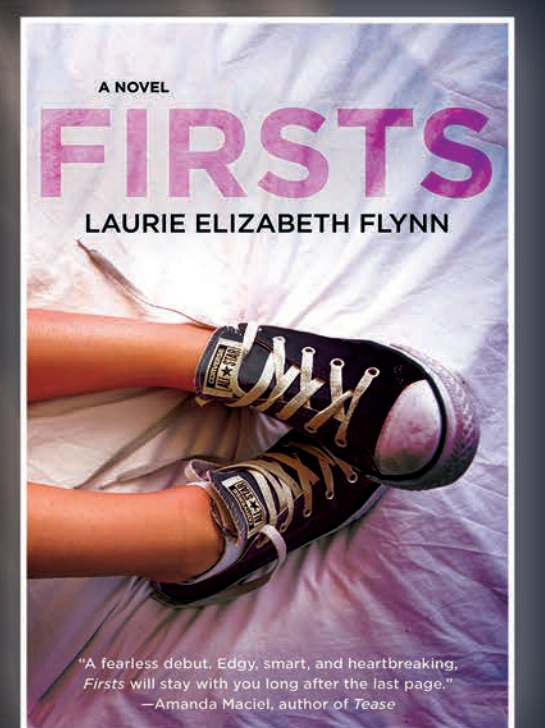

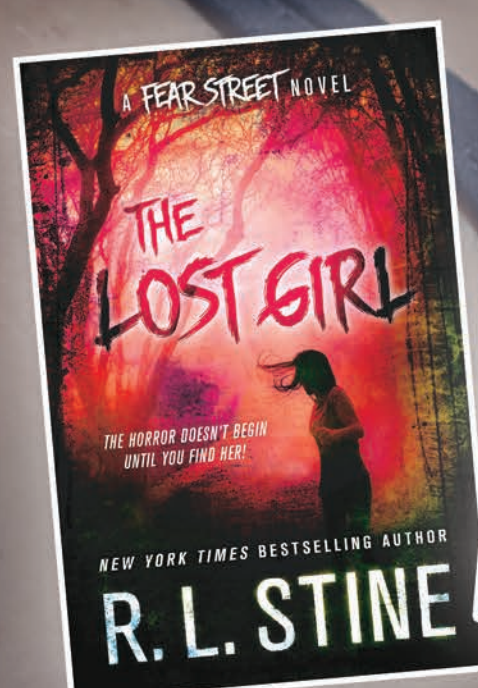

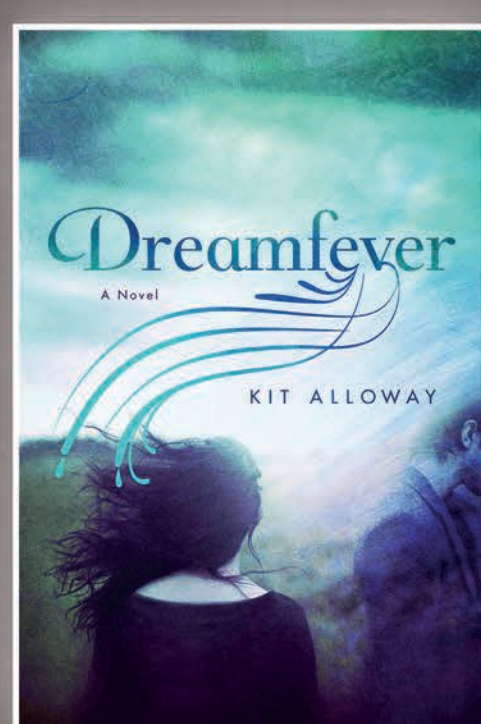

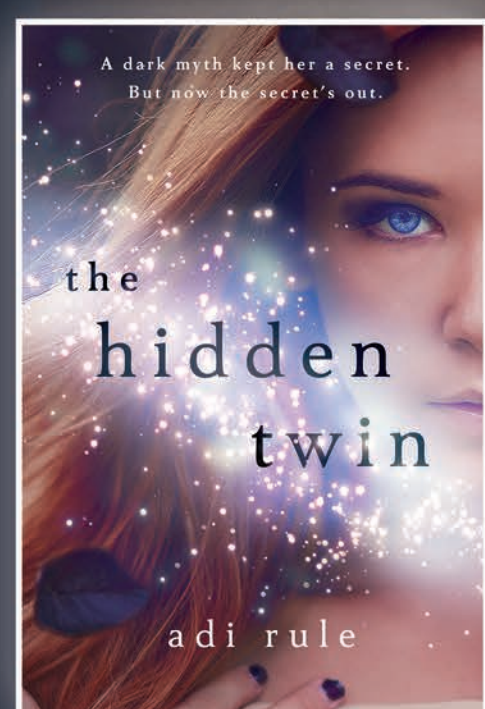

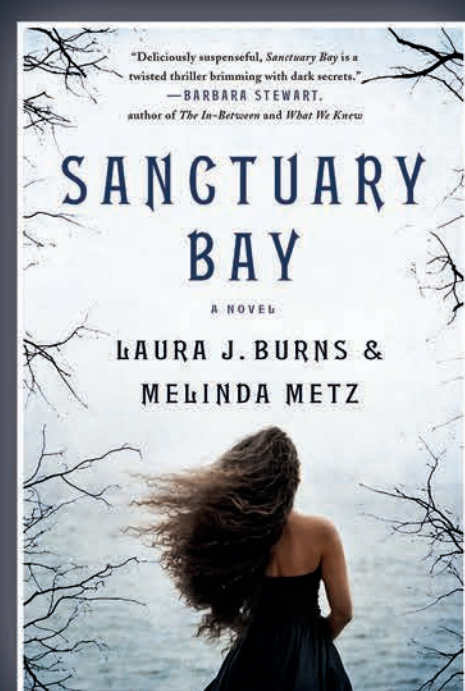

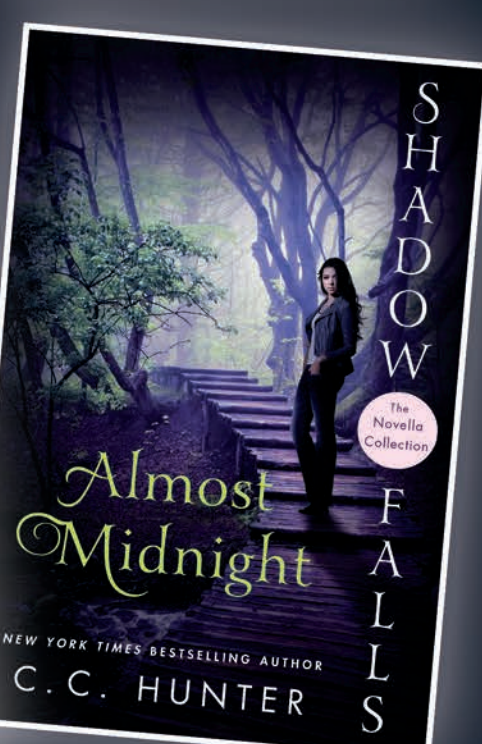

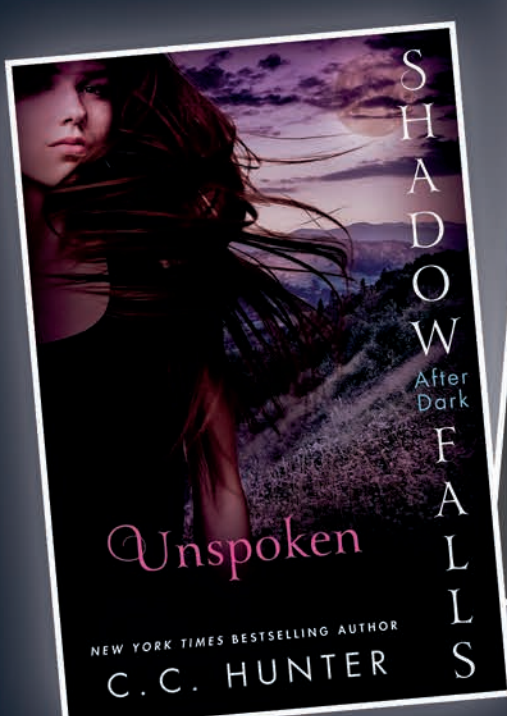

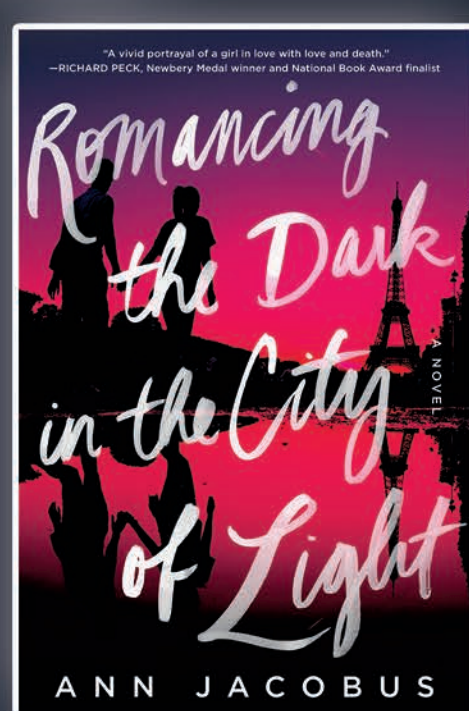

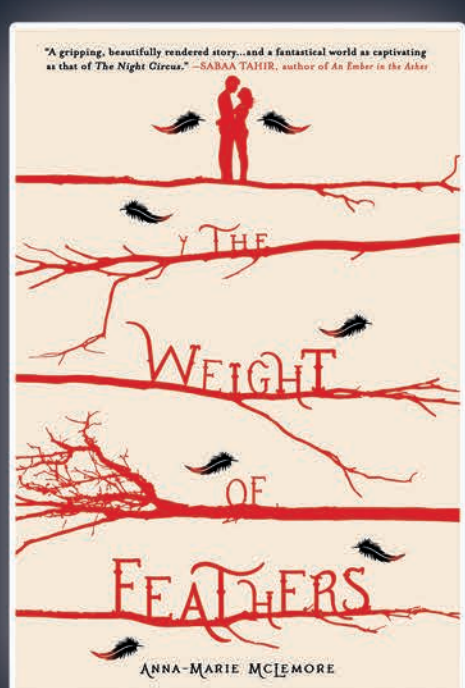

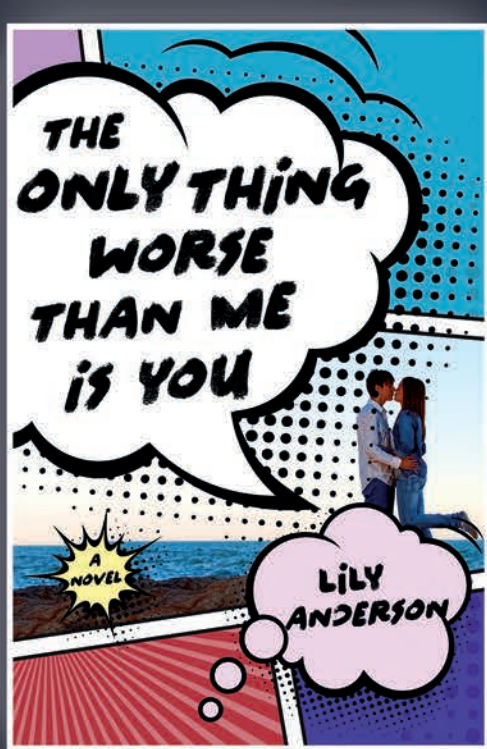

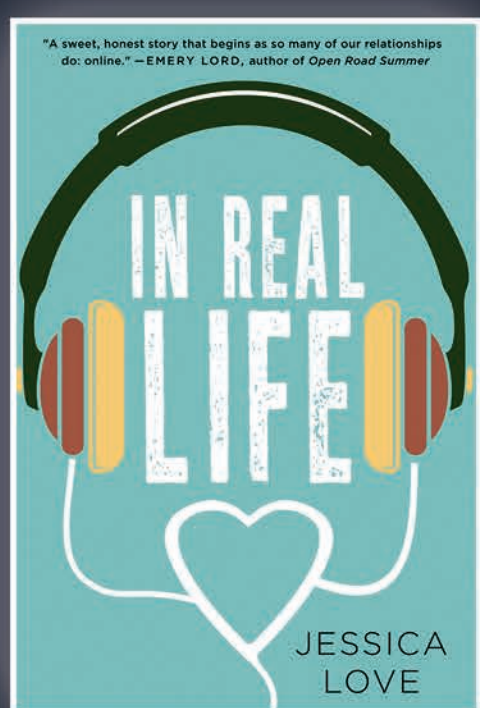

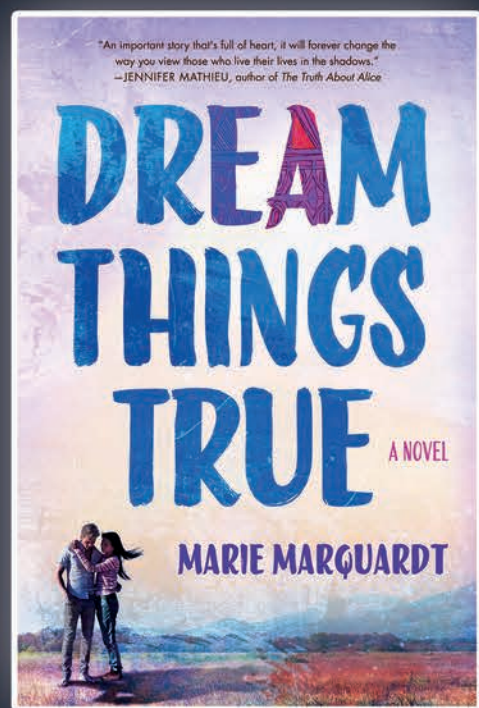

— Angie Manfredi,
Los Alamos County
Library System, NM

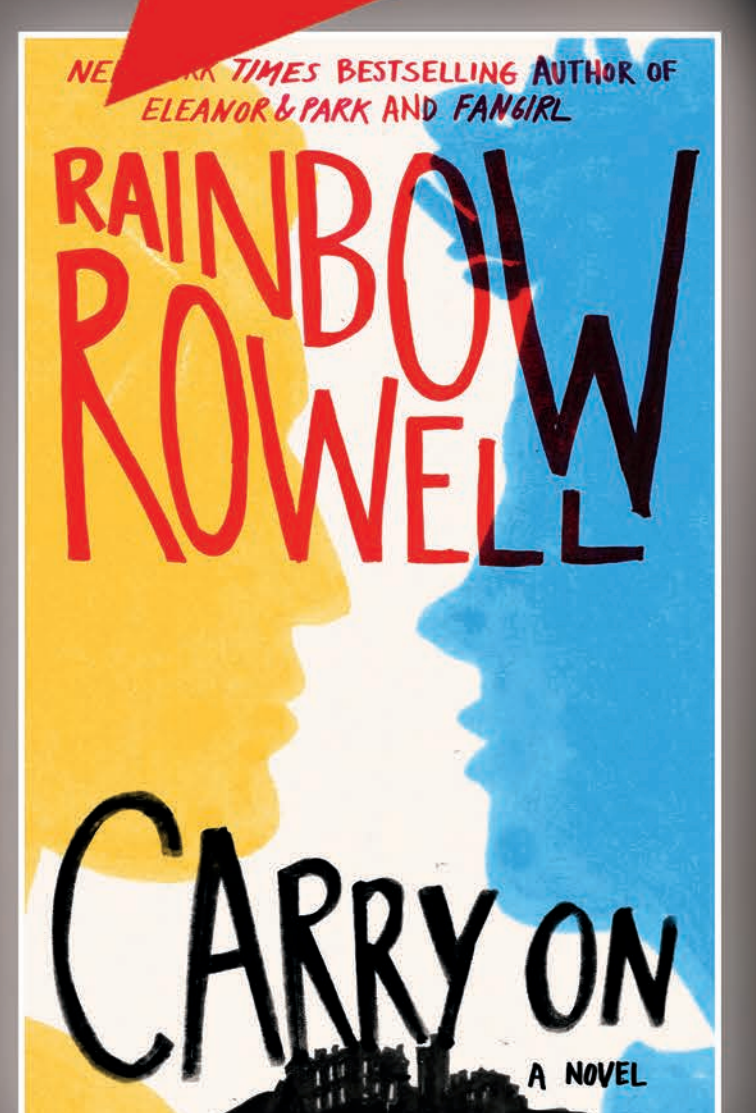

"LEGIT GASP.
Literally
everyone
needs to read
this book."

— Ashley Duncan,

“Rowell imbues her magic with awe and spectacle. It’s a powerful, politically minded allegory about sexual, ethnic and class identity — with a heady shot of teenage lust.”
— *New York Times Book Review*

“A brilliantly addictive, genuinely romantic story... It’s as if Rowell turned the Harry Potter books inside out, and is showing us the marvelous, subversive stuffing inside.”
— *Time Magazine*
