@paul_cornell

*A nail-biting
contemporary
dark fantasy
series*

**BRIAN
EVENSON**

IMMOBILITY

IMMOBILITY

by Brian Evenson

April 10, 2012

"If there's a novel that Evenson was born to write, this is the one. The author is well-known both for his challenging, postmodern fiction — think David Foster Wallace and Blake Butler — and the mainstream science fiction he writes under the name B.K. Evenson. In *Immobility*, he draws from both literary traditions to create a driving, terrifying tale that wavers between despair and hope, nihilism and an almost religious sense of possible redemption." — NPR Books

JUDGMENT AT PROTEUS

by Timothy Zahn

June 5, 2012
