

*In a land ruled and  
shaped by violent magical  
storms, power lies with those  
who control them.*

As the sole heir of Pavan,  
Aurora's been groomed to  
be the perfect queen. But  
she's yet to show any trace  
of the magic she'll need  
to protect her people. Her  
choices seem to be ruin  
or marriage, but legend  
says that her ancestors  
first gained their magic by  
facing a storm and stealing  
part of its essence. Aurora  
might not have magic now,  
but she can steal it if she's  
brave enough.
