## GEORGE R. R. MARTIN

George R. R. Martin, author of the acclaimed, internationally bestselling fantasy series *A Song of Ice and Fire*, has been a full-time writer for over twenty-five years. He has won multiple science fiction awards, including four Hugos, two Nebulas, the Bram Stoker, the Locus Award, the World Fantasy Award, the Daedalus, the Balrog, and the Daikon (Japanese Hugo). He is also the author of the *New York Times* bestseller *The Ice Dragon* and edits the *Wild Cards* series for Tor.

**"Delicious... Everything I'd hoped for in a new *Wild Cards* book. The character interactions and plot twists have exactly the complexity, surprise, and unsentimental realism I'd expect out of a George R. R. Martin project."** —Austin Grossman, author of *Soon I Will Be Invincible*, on *Inside Straight*

## LOIS BUJOLD

Lois Bujold began writing with the aim of professional publication in 1982. She wrote three novels in three years; in October of 1985, all three sold to Baen Books, launching her career. Bujold went on to write many other books for Baen, mostly featuring her popular character Miles Naismith Vorkosigan.

**"Bujold continues to prove what marvels genius can create out of basic space operatics."**  
—*Library Journal* on the Vorkosigan series

**"Superb far-future saga."**  
—*Publishers Weekly* on the Vorkosigan series

## BLAKE CHARLTON

Blake Charlton's severe dyslexia kept him from reading fluently until he began sneaking fantasy novels into his special-ed study hall in seventh grade. He has been an English teacher, a biomedical technical writer, a learning disability tutor, and a junior varsity football coach. He currently attends Stanford University School of Medicine.

- ★ **"Absolutely not to be missed."**  
—*Kirkus Reviews*, starred review, on *Spellbound*
- ★ **"A refreshingly new look at magic and the power of words. Nicodemus is a strong protagonist, but the supporting cast is equally as memorable.... Highly recommended."**  
—*Library Journal*, starred review, on *Spellwright*
